Subject: Resubmission of Erroneously Denied Contraceptive Supplies Claims

Dear Provider:

The Department of Health Care Services (DHCS) identified a claims processing issue affecting contraceptive supplies claims billed with HCPCS code J7304 (Contraceptive supply, hormone containing patch, each). This issue caused some claims to erroneously deny with RAD code **9942: National Correct Coding Initiative (NCCI) quantity billed is greater than the allowed Medically Unlikely Edit (MUE) quantity** and **0184: This procedure requires medical justification. The documentation supplied is insufficient or no remarks/attachments are provided.** The issue affected claims for dates of service from January 1, 2019, through January 28, 2021.

No action is required on your part. The California Medicaid Management Information System (MMIS) Fiscal Intermediary will resubmit the affected claims. These resubmissions will appear on RAD forms beginning May 13, 2021, with Claim Control Number (CCN) prefix **112355**.

If you disagree with any of these resubmissions, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date or you may submit an *Appeal Form* within 90 days of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal Provider website (www.medi-cal.ca.gov). For *Appeal Form* completion instructions, please refer to the *Appeal Form Completion* section in the appropriate Part 2 manual or on the Medi-Cal Provider website.

If you have questions regarding these resubmissions, please call the California MMIS Fiscal Intermediary Telephone Service Center at 1-800-541-5555, option 5, followed by option 5 or write to the California MMIS Fiscal Intermediary Correspondence Specialist Unit at P.O. Box 13029, Sacramento, CA 95813-4029.

Sincerely,

Cindy Garrett
