

## Rates: Facility Per Diem

Page updated: September 2023

This section contains per diem rates for Nursing Facilities Level A (NF-A), Institutions for Mental Disease (IMD), Intermediate Care Facilities for the Developmentally Disabled (ICF/DD), Intermediate Care Facilities for the Developmentally Disabled/Habilitative (ICF/DD-H), Intermediate Care Facilities for the Developmentally Disabled/Nursing (ICF/DD-N), Distinct Part Nursing Facilities of Acute Care Hospitals Level B (DP/NF-B), Unlimited Swing Bed and Subacute Care. For rates for Facilities with All Beds as ICF/DD Continuous Nursing (ICF/DD-CN), refer to the *Home and Community-Based Services (HCBS) Billing Codes and Reimbursement Rates* section in this manual.

It also contains peer group weighted average reimbursement rates for Free-Standing Nursing Facilities Level B (FS/NF-B). For FS/NF-B facility-specific rates, see the Department of Health Care Services (DHCS) [Long Term Care Reimbursement AB 1629](#) website.

For general policy information, refer to the *Rates: Facilities* section in this manual.

**Note 1:** Effective August 2, 2003, the NF-A per diem rate no longer uses 100+ beds to establish rates. NF-A rates are set solely by geographical location. Effective August 2, 2003, NF-A facilities with licensed bed capacities of 100+ that received a rate of \$89.54 effective August 1, 2002, will continue to receive this rate until their prospective county rate reaches this level.

**Note 2:** «Effective May 12, 2023, payment for DP/NF-Bs, regardless of geographical location, is the lesser of projected costs or the class median rate of \$704.86.» An exception is state-operated facilities whose payment shall be based on detail in the [Distinct Part Nursing Facilities, Level B \(DP/NF-B\) \(ca.gov\)](#) website.

**Note 3:** Effective August 1, 2022, the leave of absence and bed hold for acute hospitalization is \$9.46.

**Note 4:** The temporary COVID-19 increase is effective March 1, 2020, through the end of the public health emergency. «The temporary COVID-10 increase expired on May 11, 2023.»
