    - Instructions: See "ACF: Required and Optional Fields" for ACF completion instructions.

Save time

- Track claim status online

- Update medical documentation easily by fax

Make the switch today

Submit all claim types electronically on the Medi-Cal Providers website (**www.medi-cal.ca.gov**).

- Learn more about Computer Media Claims (CMC) by referencing the CMC sections of the Part 1 provider manual or the CMC billing and technical manual.

- Search for the CMC Developers, Vendors and Billing Services Directory and choose a software vendor. Providers will also be able to access their Submitter Directory through the Provider Portal.

- Register to the Medi-Cal Provider Portal. An invitation to the portal will be sent to the provider's address on file. Use the token to register to the portal. The purpose of the Provider Portal is to access Medi-Cal services, perform billing work for multiple NPIs in one online account, and enable electronic access to Medi-Cal correspondence.

For additional information about electronic billing, contact the CMC Help Desk at 1-800-541-5555.
