
County Medical Services Program (CMSP)

Page updated: September 2021

«Beginning April 1, 2015, the County Medical Services Program (CMSP) is administered by Advanced Medical Management, Inc. (AMM). This change affects all CMSP recipients (aid codes 85, 88, 89, 8F and 50) who live in a participating CMSP county. CMSP will continue its use of the existing Medi-Cal eligibility verification and Share of Cost (SOC) systems.

Information on CMSP is available on the [CMSP Governing Board's website](#).

Contact Advanced Medical Management (AMM) at 1-877-589-6807 for information on CMSP medical claims.

Contact MedImpact at 1-800-788-2949 for information on CMSP pharmacy claims.»

Eligibility

Eligibility for CMSP is determined by the counties. Patient SOC and copayment requirements for CMSP may apply. Eligibility questions should be directed to the county welfare department in the patient's county of residence. Persons eligible for CMSP will receive both a Benefits Identification Card (BIC) and a CMSP card.

Share of Cost

Providers may apply the same services used to clear a Medi-Cal SOC obligation to clear a CMSP SOC obligation. Providers should note, however, that two separate transactions are required. Clearing an SOC for one program does not automatically clear SOC for the other program. Refer to the Part 1 *Share of Cost* section for additional information.

Note: This policy does not affect Long Term Care (LTC) providers.

Medicare

Medicare recipients are not eligible for CMSP.
