Overview

The purpose of the *Provider Portal User Guide: Registration* is to be a comprehensive instructional document that provides step-by-step instructions for how to register as a provider or submitter in the Medi-Cal Provider Portal.

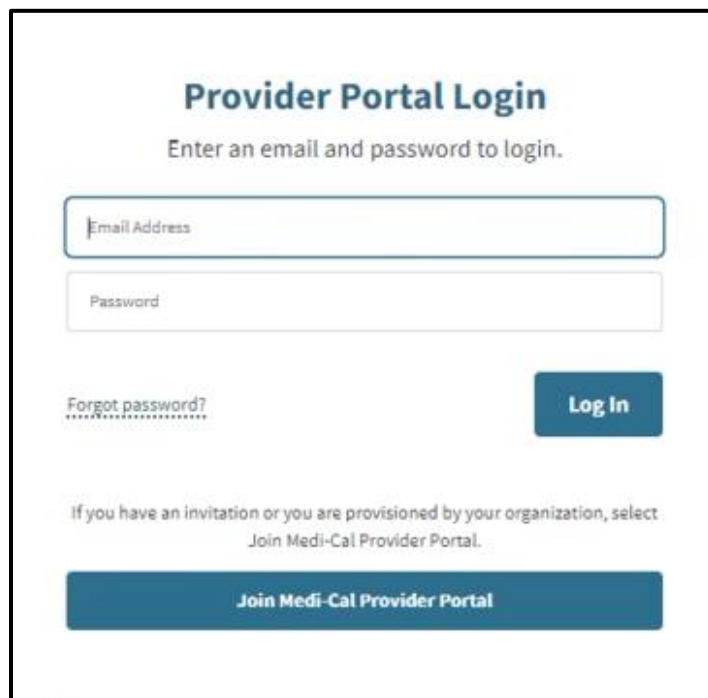

Introduction to the Provider Portal

The Provider Portal is an area within the Medi-Cal Providers website that houses general information and day-to-day work for Medi-Cal providers and provider healthcare staff. It focuses on reducing paper communications between the Department of Health Care Services (DHCS) and provider communities, increasing the security and accessibility of Medi-Cal electronic services and empowering providers in managing their organization to support their billing needs.

Register a Provider Organization

Providers must first select an administrator to represent their organization. This administrator will register the organization in the Medi-Cal Provider Portal and create an account for the organization. A secure token is sent by hard-copy (paper) letter to the pay-to address on file with Medi-Cal. **It must be used within 30 days of the date it is issued or it will expire.** Alternatively, you may call the Telephone Service Center (TSC) at 1-800-541-5555 (Monday to Friday, 8 a.m. to 5 p.m., except for holidays) in order to obtain a new secure token. Once an appropriate person has been selected as the Provider Portal Administrator, and has received the token, the steps below should be followed.

1. Navigate to the **Log In** screen and click **Join Medi-Cal Provider Portal**.

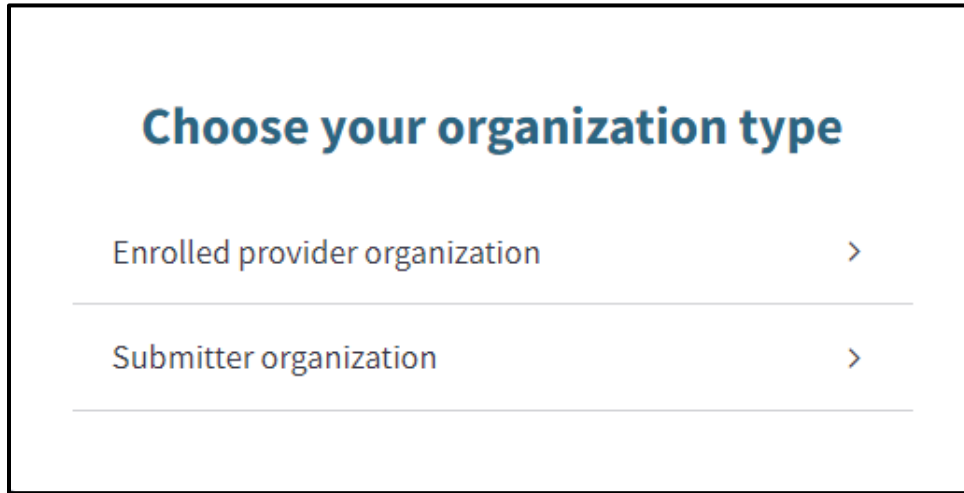

The screenshot shows the 'Provider Portal Login' interface. At the top, it says 'Provider Portal Login' in blue, followed by the instruction 'Enter an email and password to login.' Below this are two input fields: 'Email Address' and 'Password'. To the right of the password field is a blue 'Log In' button. Below the input fields is a link for 'Forgot password?'. At the bottom of the form, there is a blue button labeled 'Join Medi-Cal Provider Portal' with the text 'If you have an invitation or you are provisioned by your organization, select Join Medi-Cal Provider Portal.' above it.
