VOID OF ERRONEOUSLY PAID CLAIMS FOR DECEASED RECIPIENTS

Dear Provider:

The Department of Health Care Services (DHCS) identified Medi-Cal recipients for whom claims were erroneously paid after their respective dates of death. These claims were paid from July 1, 2022, through December 31, 2022.

No action is required on your part. The California Medicaid Management Information System (MMIS) Fiscal Intermediary will void the affected claims. These voids will appear on *Remittance Advice Details* (RAD) forms beginning May 11, 2023, with RAD code 821: **Void of claim non-payable on date of service.**

The recoveries are authorized under the provisions of *Welfare and Institutions Code* (W&I Code), Sections 14176 and 14177, and *California Code of Regulations* (CCR), Title 22, Section 51458.1(a)(1). In addition, the W&I Code sections authorize DHCS to enter into repayment agreements with providers or offset overpayments against amounts due. If the total warrant amount is not sufficient to offset the recovery, the negative balance will be converted to an accounts receivable transaction and subtracted from future Medi-Cal reimbursements.

If you disagree with any of these voids, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date or you may submit an *Appeal Form* within 90 days of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal Provider website (www.medi-cal.ca.gov). For *Appeal Form* completion instructions, please refer to the *Appeal Form Completion* section in the appropriate Part 2 manual or on the Medi-Cal Provider website.

If you have questions regarding these voids, please call the California MMIS Fiscal Intermediary Telephone Service Center at 1-800-541-5555, option 5, followed by option 5 or write to the California MMIS Fiscal Intermediary Correspondence Specialist Unit at P.O. Box 13029, Sacramento, CA 95813-4029.

Sincerely,

Cindy Garrett
