

Navigating the Medi-Cal
Provider Portal

The Outreach and Education services is made up of Provider Field Representatives located throughout California and includes the Small Provider Billing Assistance and Training Program staff, who are available to train and assist providers to efficiently submit their Medi-Cal claims for payment. See the below additional tools and free services available to your provider community.

Medi-Cal Learning Portal (MLP)

Explore the Medi-Cal Learning Portal (MLP) that offers Medi-Cal providers and billers self-paced online training about billing basics, related policies and procedures; new initiatives and any significant changes to the Medi-Cal program.

How can you get started using the MLP?

- First time users must complete a one-time registration at www.learn.medi-cal.ca.gov
- After logging in, you will be able to RSVP for training events or view eLearning courses
- Refer to the Medi-Cal Learning Portal (MLP) Job Aid or the Medi-Cal Learning Portal (MLP) User Guide for detailed instructions

How can you benefit from using the MLP?

- Significantly reduce billing errors by learning billing best practices
- Quizzes that test your knowledge
- Practice your skills using interactive activities

Free Services for Providers

Provider Seminars and Webinars

Provider Training Seminars and Webinars offer basic and advanced billing courses for all provider types. Seminars also offer a free billing assistance called the Claims Assistance Room (CAR). Providers are encouraged to bring their more complex billing issues and receive individual assistance from a Provider Field Representative. The dates and locations for the annual provider training seminars and webinars can be found on the events calendar in the MLP tool and in the News area on www.medi-cal.ca.gov.

Provider Field Representatives

Receive one-on-one assistance from Provider Field Representatives who live and work in cities throughout California. Provider Field Representatives are available to visit providers at their office to assist with billing needs and/or provide custom billing training to office staff.

Small Provider Billing Assistance and Training Program

The Small Provider Billing Assistance and Training Program is one-on-one billing assistance for one year to providers who submit fewer than 100 claim lines per month and would like some extra help. For more information about how to enroll in the Small Provider Billing Assistance and Training Program, call (916) 636-1275 or 1-800-541-5555.

All of the aforementioned services are available to providers at no cost!

Provider Portal Processor Role

Introduction

Purpose

The purpose of this module is to provide an overview of the Provider Portal website for the Processor role.

Module Objectives

- How to Register.

- Provide a walk-thru of the Provider Portal website and its functions.

- Examine the Provider Portal tiles.

- Review valuable references on the Provider Portal website.

Acronyms

A list of current acronyms is located in the *Appendix* section of each complete workbook.

Provider Portal Overview

The Provider Portal houses communications, notifications and organization information for Medi-Cal providers and provider healthcare staff. It focuses on reducing paper communication between the Department of Health Care Services (DHCS) and provider communities, increasing the security and accessibility of Medi-Cal electronic services and empowering providers in managing their organization to support their billing needs.

Highlights

- Ability to manage user and user access.
- Reduce physical mail volume.
- Enable organizational single sign-on.
- Electronic record of notifications such as access requests and new correspondence.
- Self-service capabilities such as resetting a user's Personal Identification Number (PIN)

How to Register

Processors are registered via an Organizational Administrator (Org Admin) within their organization. Once the Org Admin creates the user account, a registration link is sent. The first contained in the email can only be used once and it must be used within seven (7) days. The link expires if not used within 7 days and the Admin will need to reissue the registration link.

To register follow these steps:

1. Select the link provided in the registration email.

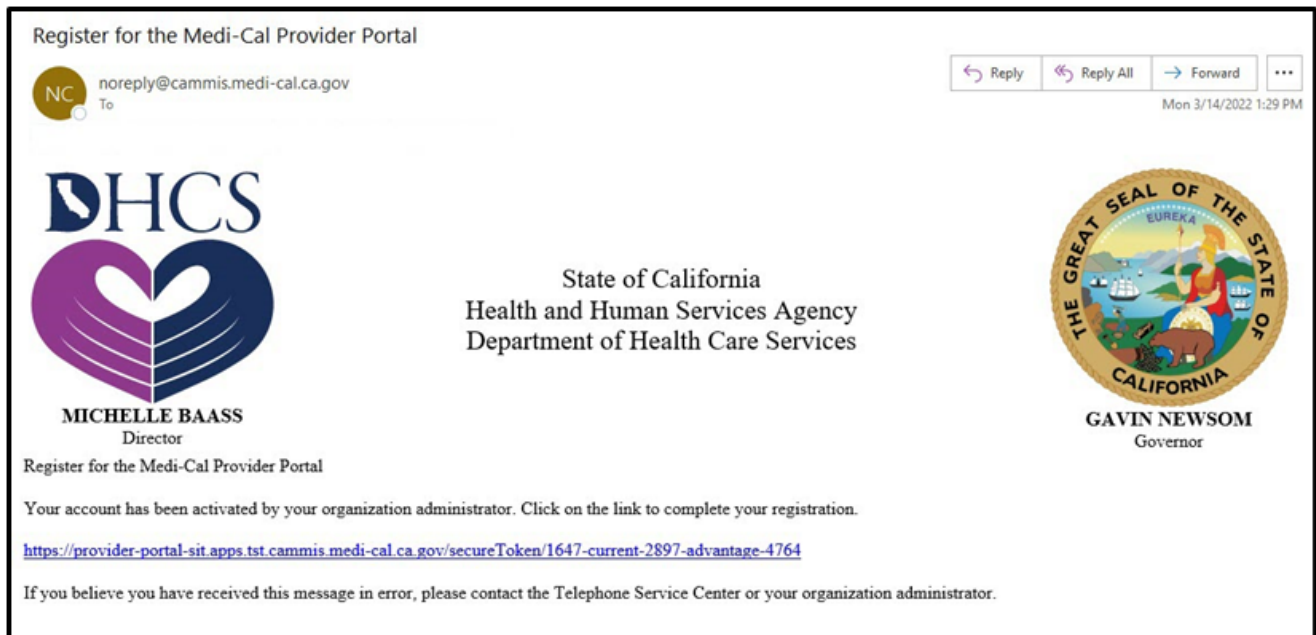

Figure 1.1: Email with registration link provided.

A Provider Portal Processor Role

Page updated: August 2023

2. The secure token provided from DHCS will automatically populate.

The screenshot shows the Medi-Cal Providers portal interface. At the top, there is a dark blue header with the CA.GOV logo, social media icons, and links for Login and Settings. Below this is a white navigation bar with the DHCS logo and the text 'Medi-Cal Providers'. The navigation bar also includes icons and labels for Providers, Beneficiaries, Resources, Related, Contact Us, and Search. The main content area features a large background image of healthcare professionals. Overlaid on this is a white modal box titled 'Secure Token ID'. Inside the modal, there is a message: 'If you don't have a token ID, please contact your organization's administrator and they will initiate the registration process.' Below this message is a section titled 'Verifying Token' with a text input field containing the value '1689-designer-2706-contraction-1738'. A purple 'Submit' button is located at the bottom right of the modal. At the bottom of the page, there is a footer with contact information: 'Need help or have a question? 1-833-948-4270', 'The Provider Portal Support Line is available 8 a.m. to 5 p.m., Monday through Friday, except national holidays.', and a link to 'Medi-Cal Provider Portal Overview'.

Page updated: August 2023

4. Enter First and Last name as well as Preferred Contact number. A one-time passcode (OTP) will be sent to the preferred contact number via either SMS (text) or Voice (call). Select **Next**.

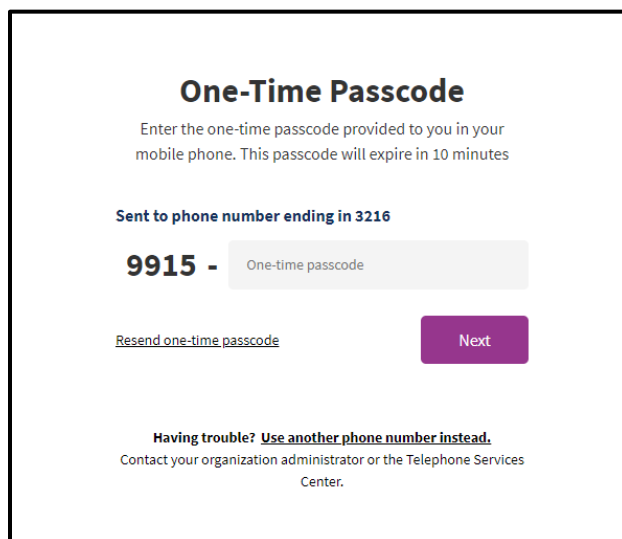

Note: Various functions throughout the Provider Portal may request an OTP.

The screenshot shows the 'Account Information' registration screen. At the top, the title 'Account Information' is centered, followed by the instruction 'Enter the following to register your account'. Below this, the email address 'mcportal1212@gmail.com' is displayed. There are two input fields for 'First Name' and 'Last Name', each with a small orange cursor icon. Further down, the text 'You will receive a one-time passcode to verify your account' is shown above a 'Preferred Contact Number' input field. Below the input fields, there are two radio button options: 'SMS' (which is selected) and 'Voice'. A purple 'Next' button is located at the bottom right of the form area.

Figure 1.4: Account information screen.

5. Enter the last six digits of the passcode sent.

The screenshot shows the 'One-Time Passcode' verification screen. The title 'One-Time Passcode' is centered at the top, followed by the instruction 'Enter the one-time passcode provided to you in your mobile phone. This passcode will expire in 10 minutes'. Below this, the text 'Sent to phone number ending in 3216' is displayed. A large '9915 -' is shown next to a 'One-time passcode' input field. Below the input field, there is a link that says 'Resend one-time passcode'. A purple 'Next' button is located at the bottom right. At the bottom of the screen, there is a note: 'Having trouble? Use another phone number instead. Contact your organization administrator or the Telephone Services Center.'

Figure 1.5: OTP input area.

A Provider Portal Processor Role

Page updated: August 2023

6. A window appears stating Registration is Complete.

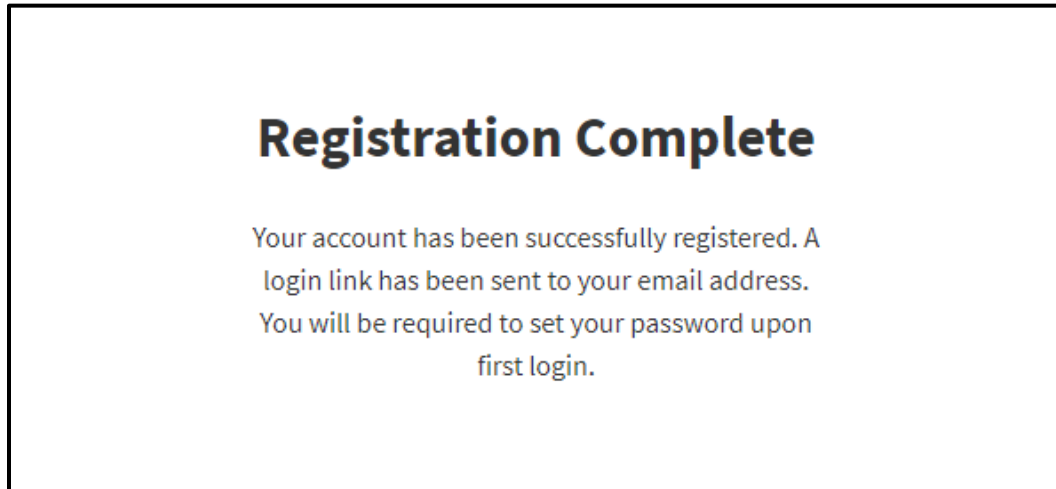

Figure 1.6: Registration Complete window.

7. An email will be sent to the email address indicated during sign up to set up a password. Select the link to continue the registration process. This must be done within 30 minutes or the link will expire. If this process is not completed within 30 minutes, a password reset can be initiated with the email used during registration in order to gain access to the portal.

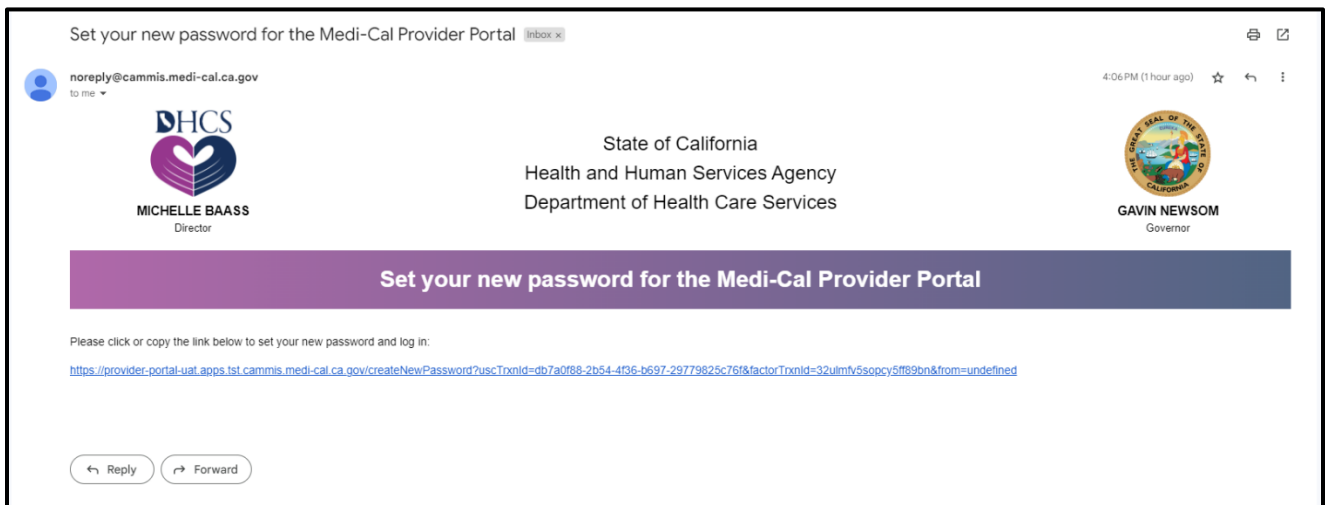

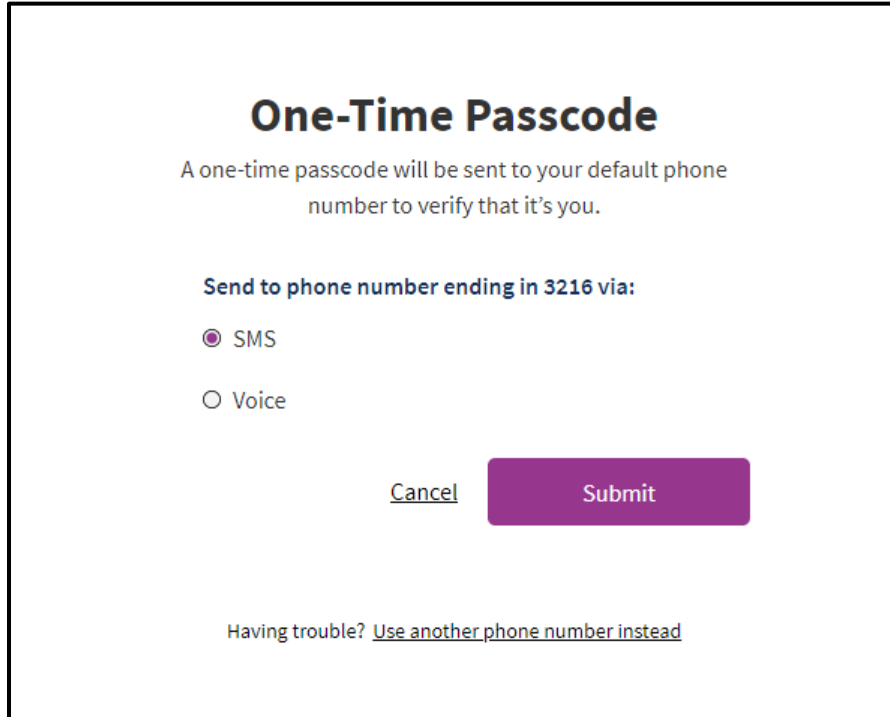

Figure 1.7: Email from DHCS with a link to set up a password.

8. Select either SMS or Voice to receive an OTP.

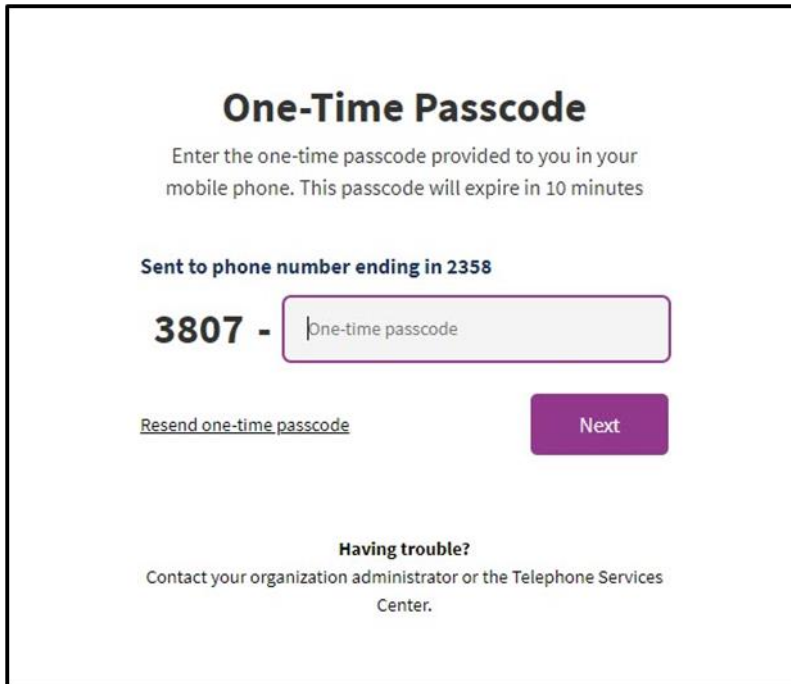

The screenshot shows a web interface for selecting an OTP verification method. At the top, the title "One-Time Passcode" is displayed in a large, bold, black font. Below the title, a message states: "A one-time passcode will be sent to your default phone number to verify that it's you." Further down, the text "Send to phone number ending in 3216 via:" is shown. Below this text are two radio button options: "SMS" (which is selected, indicated by a filled purple circle) and "Voice" (which is unselected, indicated by an empty circle). At the bottom right of the selection area, there are two buttons: a purple button labeled "Submit" and a link labeled "Cancel" (underlined). At the very bottom of the form, there is a link that reads: "Having trouble? [Use another phone number instead](#)".

Figure 1.8: OTP verification method area.

A Provider Portal Processor Role

Page updated: August 2023

9. A passcode will be sent by the desired method Enter the last six digits of the code that was sent and select **Next**.

The screenshot shows a web interface for entering a One-Time Passcode (OTP). At the top, the heading "One-Time Passcode" is displayed in bold. Below it, a message states: "Enter the one-time passcode provided to you in your mobile phone. This passcode will expire in 10 minutes". Further down, it says "Sent to phone number ending in 2358". The input area shows "3807 -" followed by a text box containing "One-time passcode". Below the input area, there is a link "Resend one-time passcode" and a purple button labeled "Next". At the bottom, there is a section titled "Having trouble?" with the text "Contact your organization administrator or the Telephone Services Center."

Figure 1.9: OTP input area.

10. A pop-up window to create a new password will appear. Enter a password that aligns with the password criteria and select **Submit**.

Note: The password must be a minimum of 15 characters and contain a mix of at least one: uppercase, lowercase, number and special character (!\$#%). It cannot be the same or similar to the previous 5 passwords.

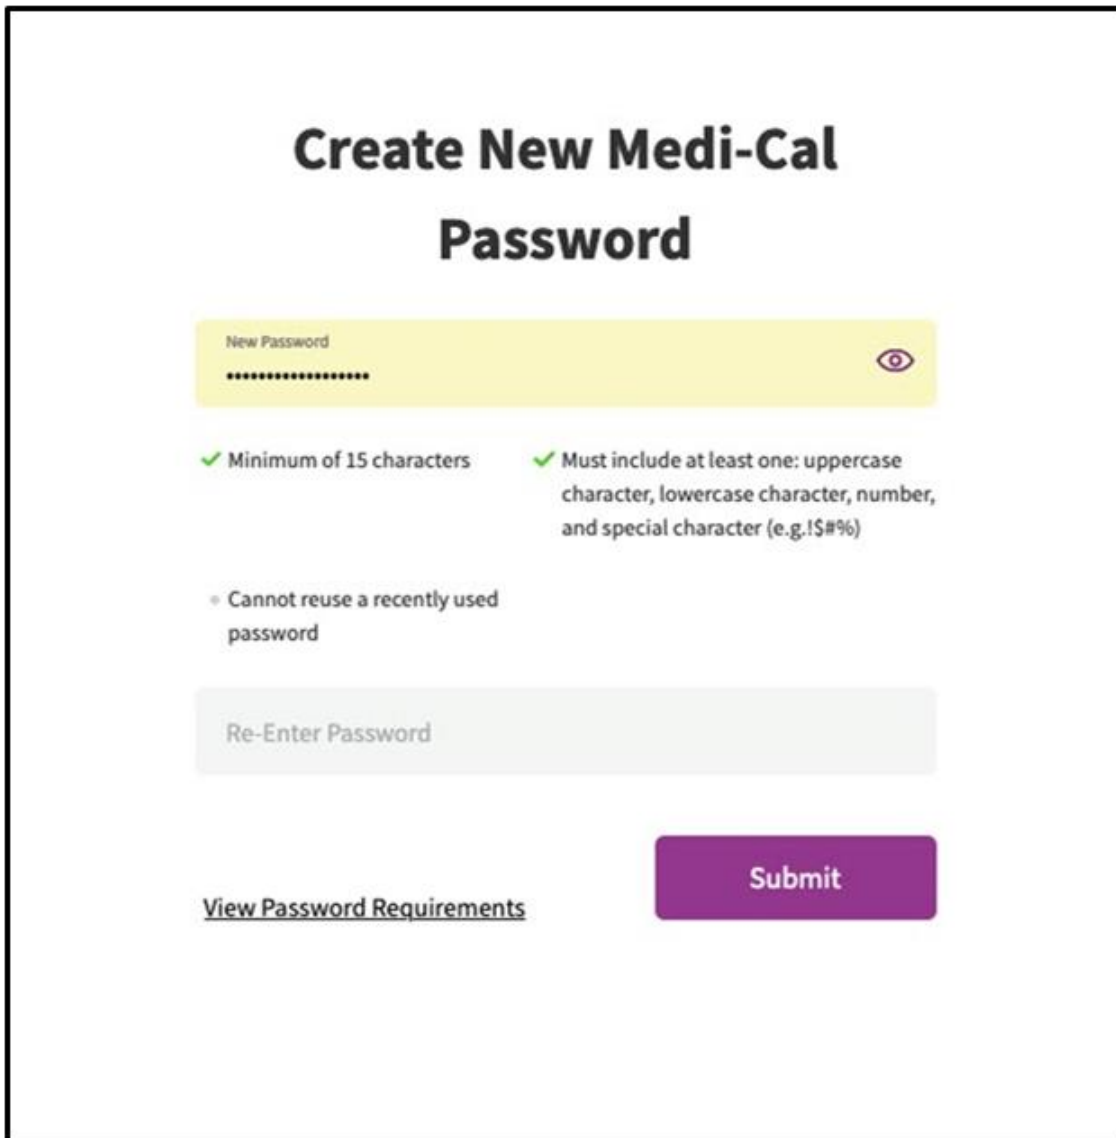

The image shows a 'Create New Medi-Cal Password' pop-up window. At the top, the title 'Create New Medi-Cal Password' is centered in a large, bold, black font. Below the title is a yellow rectangular input field labeled 'New Password' on the left and a purple eye icon on the right. The password is masked with black dots. Underneath the input field are two green checkmarks with corresponding text: 'Minimum of 15 characters' and 'Must include at least one: uppercase character, lowercase character, number, and special character (e.g. !\$#%)'. Below these is a greyed-out text label 'Cannot reuse a recently used password'. Further down is a light grey rectangular input field labeled 'Re-Enter Password'. At the bottom left is a blue underlined link 'View Password Requirements', and at the bottom right is a purple rectangular button with the word 'Submit' in white text.

Figure 1.10: Create New Medi-Cal Password pop-up window.

11. A message will display notifying the user that their password has been successfully updated.

Figure 1.11: Password successfully updated message.

Logging into the Provider Portal

Navigate to the [Medi-Cal Provider Portal](#). Enter the email address and select **Next**.

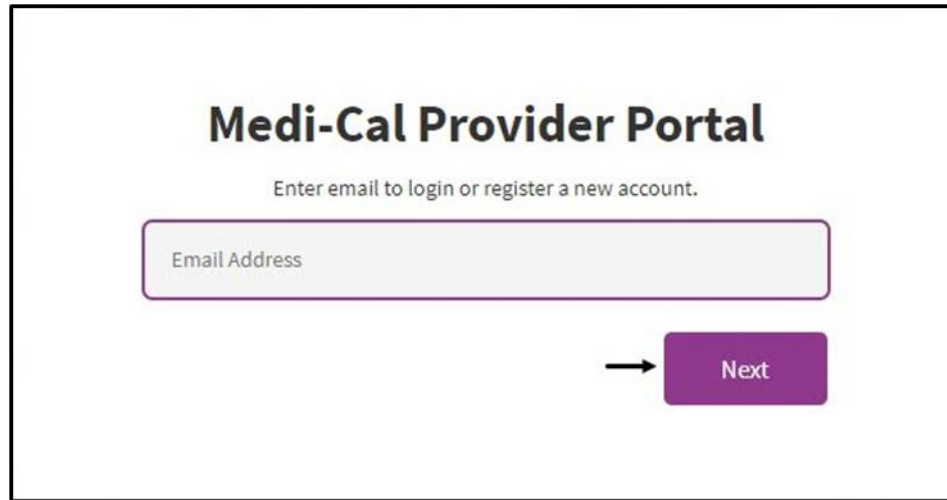

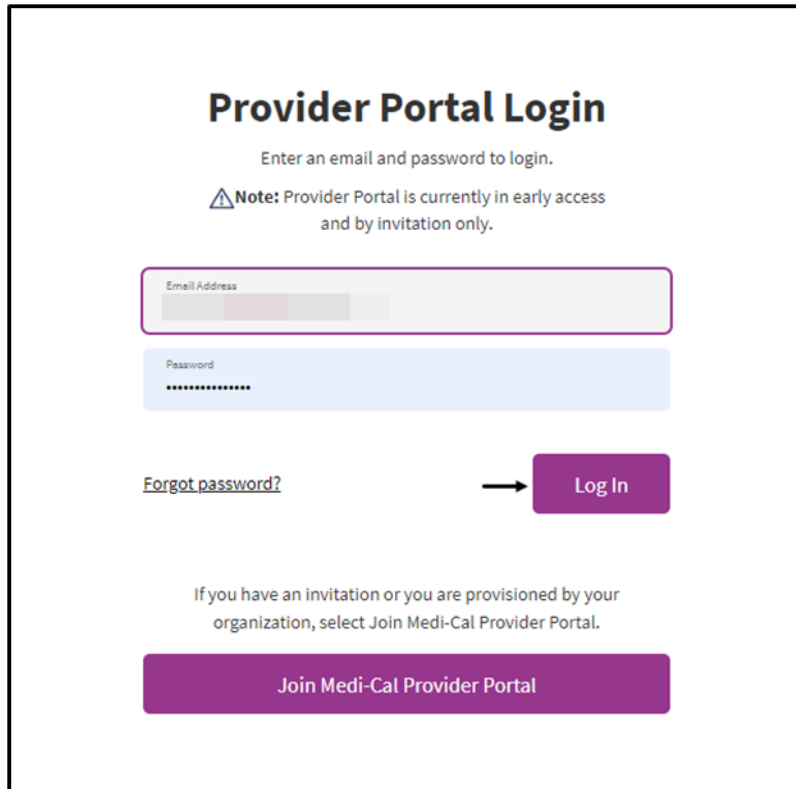

The image shows a web form for the Medi-Cal Provider Portal. At the top, the title "Medi-Cal Provider Portal" is displayed in a large, bold, black font. Below the title, a smaller line of text reads "Enter email to login or register a new account." Underneath this text is a light gray rectangular input field with the placeholder text "Email Address". To the right of the input field is a purple rectangular button with the word "Next" in white text. A black arrow points from the right side of the input field towards the "Next" button.

Figure 2.1: Enter email address page to login to Medi-Cal Provider Portal.

A Provider Portal Processor Role

Page updated: August 2023

On the Provider Portal Login screen, enter the password and select **Log In**.

The screenshot shows the 'Provider Portal Login' interface. At the top, the title 'Provider Portal Login' is displayed in a large, bold, black font. Below the title, a subtitle reads 'Enter an email and password to login.' A note with a warning icon states: 'Note: Provider Portal is currently in early access and by invitation only.' There are two input fields: 'Email Address' (a light gray field with a purple border) and 'Password' (a light blue field with a purple border). Below the password field, there is a link for 'Forgot password?' and a purple 'Log In' button. At the bottom, there is a purple button labeled 'Join Medi-Cal Provider Portal'.

Figure 2.2: Provider Portal Login screen.

Figure 5.3: Notification preferences page.

Notifications

The **Notifications** tile displays an organization's unread and past messages. The most recent notifications appear on the dashboard. To view more messages, a user can select **View All** or **+ more**.

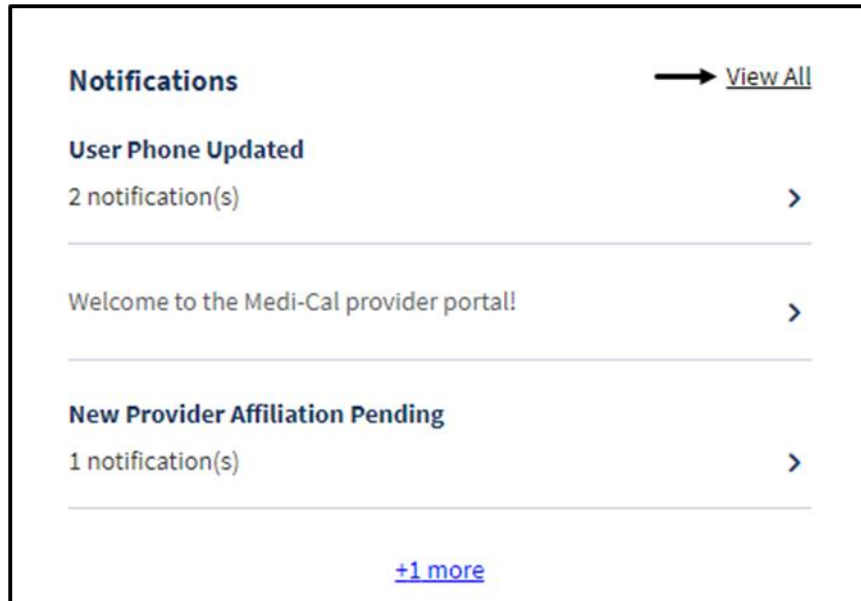

Figure 4.4: The Notifications tile.

A Provider Portal Processor Role

Page updated: August 2023

Once View All or +more is selected, a page appears with all past and current notifications. Past notifications can be viewed by using the search field or by using the **Filter By Date** feature. To use this feature, select the Filter By Date menu and enter the desired date range and select **Apply**. Additionally, in the upper right corner, is a link to **Edit Notification Preferences**.

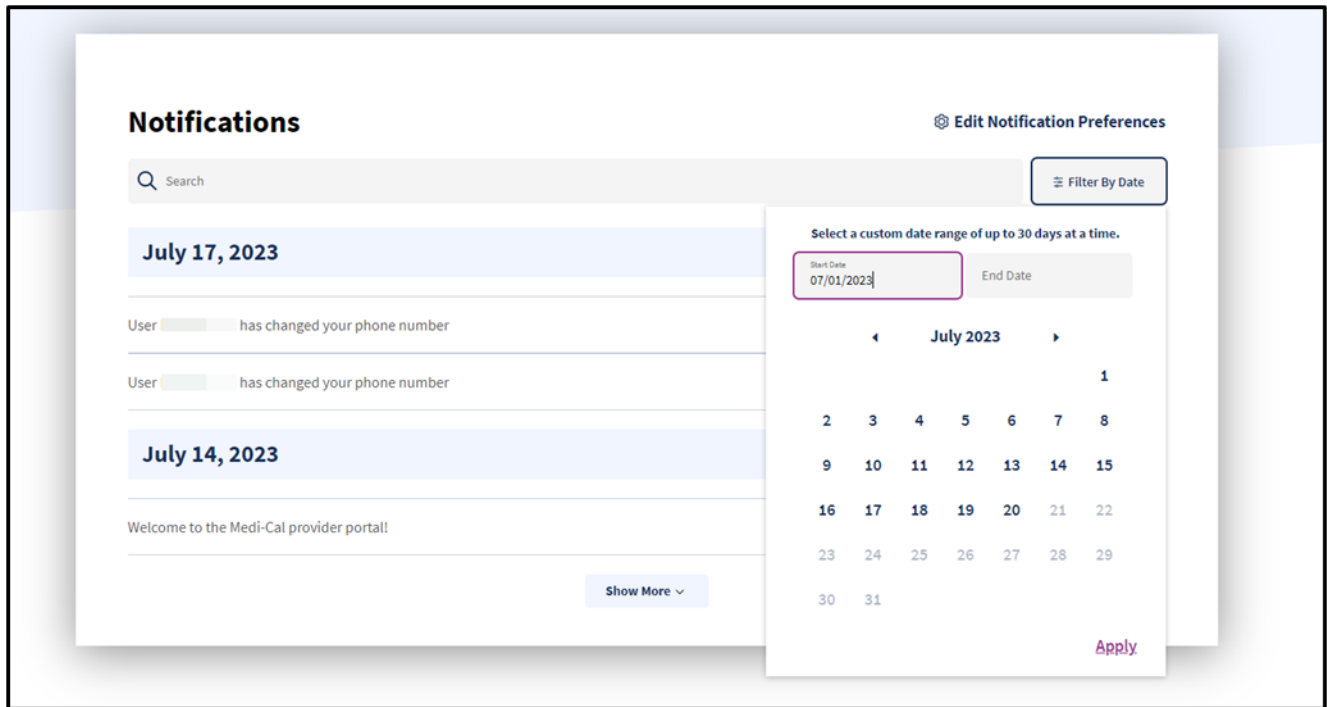

Figure 4.5: The Notifications page with **Edit Notification Preferences** link in the upper right corner.

PIN Management

The NPIs that are assigned to an organization are viewable in the **PIN Management** tile on the homepage. The user's Org Admin determines which NPIs are viewable to a user. To view more NPIs, a user can select **View All** or **+ more**.

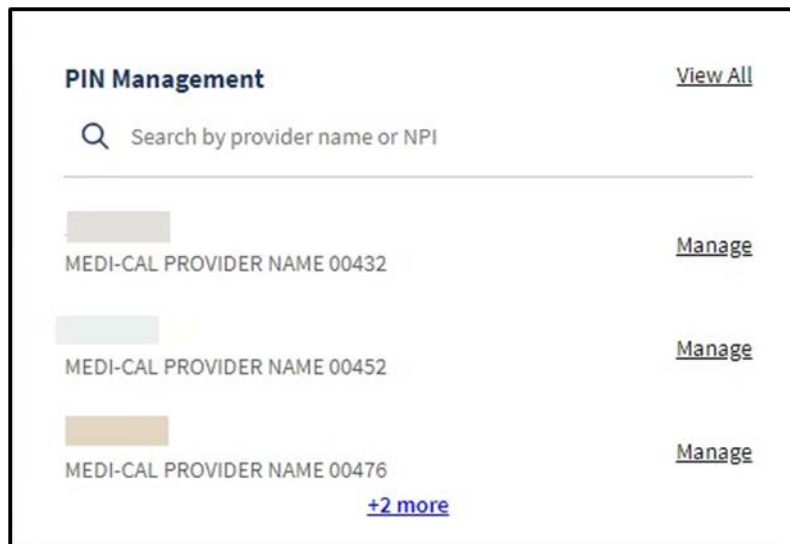

Figure 4.6: PIN Management tile.

Additionally, from the PIN Management tile, you can type in the search bar the provider name or NPI.

Figure 4.7: PIN Management tile search bar.

A Provider Portal Processor Role

Page updated: September 2022

After selecting **View All** or **+more**, from here search by provider name or NPI as well as select the desired provider name from the list.

The screenshot displays a web interface titled "PIN Management". At the top, there is a search bar with a magnifying glass icon and the placeholder text "Search by provider name or NPI". Below the search bar, a list of five providers is shown. Each entry consists of a colored rectangular icon, the text "MEDI-CAL PROVIDER NAME" followed by a unique ID, and a right-pointing chevron. The providers listed are: 00432 (grey icon), 00452 (blue icon), 00476 (light blue icon), 00483 (dark blue icon), and 00573 (grey icon). At the bottom of the list, there is a pagination control showing a left arrow, the number "1", and a right arrow.

Page updated: September 2022

2. Provider Welcome letters for NPIs assigned to that provider community appear. Click the desired letter.

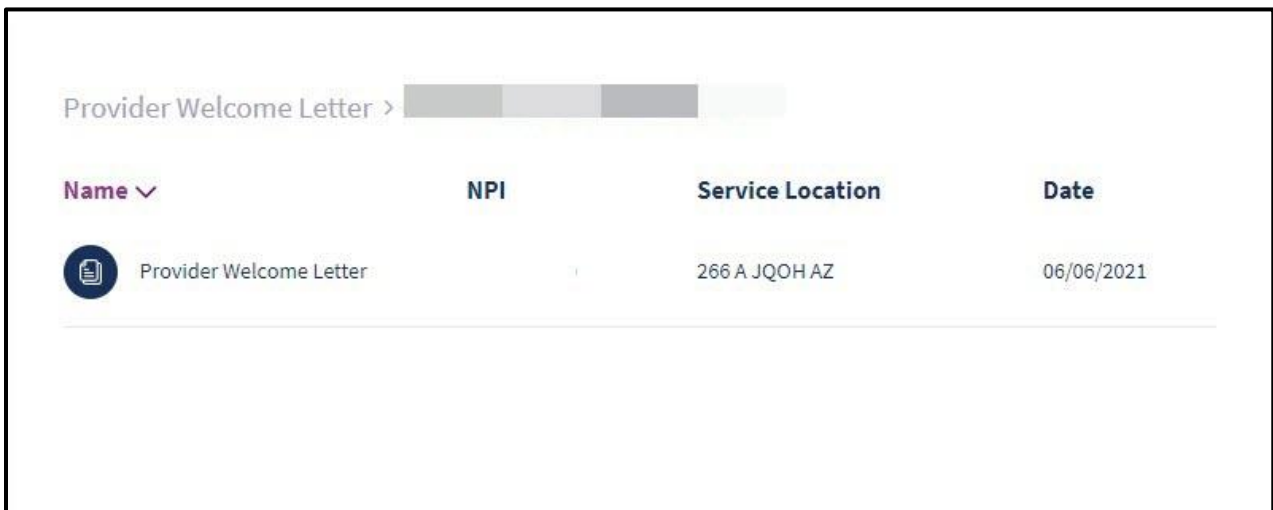

Figure 5.2: Provider Welcome Letter displayed.

3. A PDF version of the letter appears.

Figure 5.3: After Provider Welcome Letter is selected, a PDF version of the letter is displayed.

Tax Documents

Before accessing the available tax documents for the desired provider community, the **Electronic 1099 Consent Agreement** needs to be read and agreed to.

The screenshot shows the 'Tax Documents' section of the Provider Portal. On the left is a sidebar with navigation links: 'Search for Correspondence', 'New Correspondence', 'Recent Searches', and 'Provider Welcome Letter'. The main content area is titled 'Tax Documents' and features a dark blue header with the text 'Electronic 1099 Consent Agreement' and a 'Not Signed' status indicator. Below the header, the text reads: 'I acknowledge and agree to the following on behalf of my organization:'. This is followed by eight numbered points detailing the terms of the agreement, including electronic delivery, withdrawal of consent, and access requirements. At the bottom, there are two buttons: 'I Do Not Agree' and 'I Have Read and Agree to The Above'.

Electronic 1099 Consent Agreement Not Signed

I acknowledge and agree to the following on behalf of my organization:

1. You agree to receive all 1099s for your organization electronically and understand you will not receive a paper copy by mail once enrolled in electronic 1099s.
2. DHCS will continue to provide a paper copy by mail if you do not consent to receive electronic 1099s or if you withdraw your consent.
3. Consent may be withdrawn at any time within your Provider Portal account settings.
4. If you wish to receive a paper copy, you may call the Provider Portal Support Line and request that one be sent to you.
5. If your Provider Organization is dis-enrolled from Medi-Cal, an electronic 1099 will not be generated. Any pending 1099s will be delivered via mail to your address on file. Requests to update your address information can be completed by contacting the Telephone Service Center.
6. 1099s will be available for two years, after which they will be removed from Provider Portal. If you wish to receive a copy of a 1099 dated prior to the last two years, you may call the Provider Portal Support Line and request that a copy be mailed to you.
7. To access your 1099s electronically you must have an internet enabled device with access to DHCS Medi-Cal compatible browsers capable of downloading, saving, and printing an Adobe .PDF file. To view the Medi-Cal website compatible browsers, please go to the [Web Tool Box](#).
8. If you withdraw your consent, you will no longer have access to past or future electronic 1099s until you re-enroll and DHCS will resume providing a paper copy for the upcoming fiscal year.

News and Bulletin

This link automatically directs the user to the Publications area of the Medi-Cal Providers website. Users may view current and archived bulletins, manuals and news articles related to the provider community.

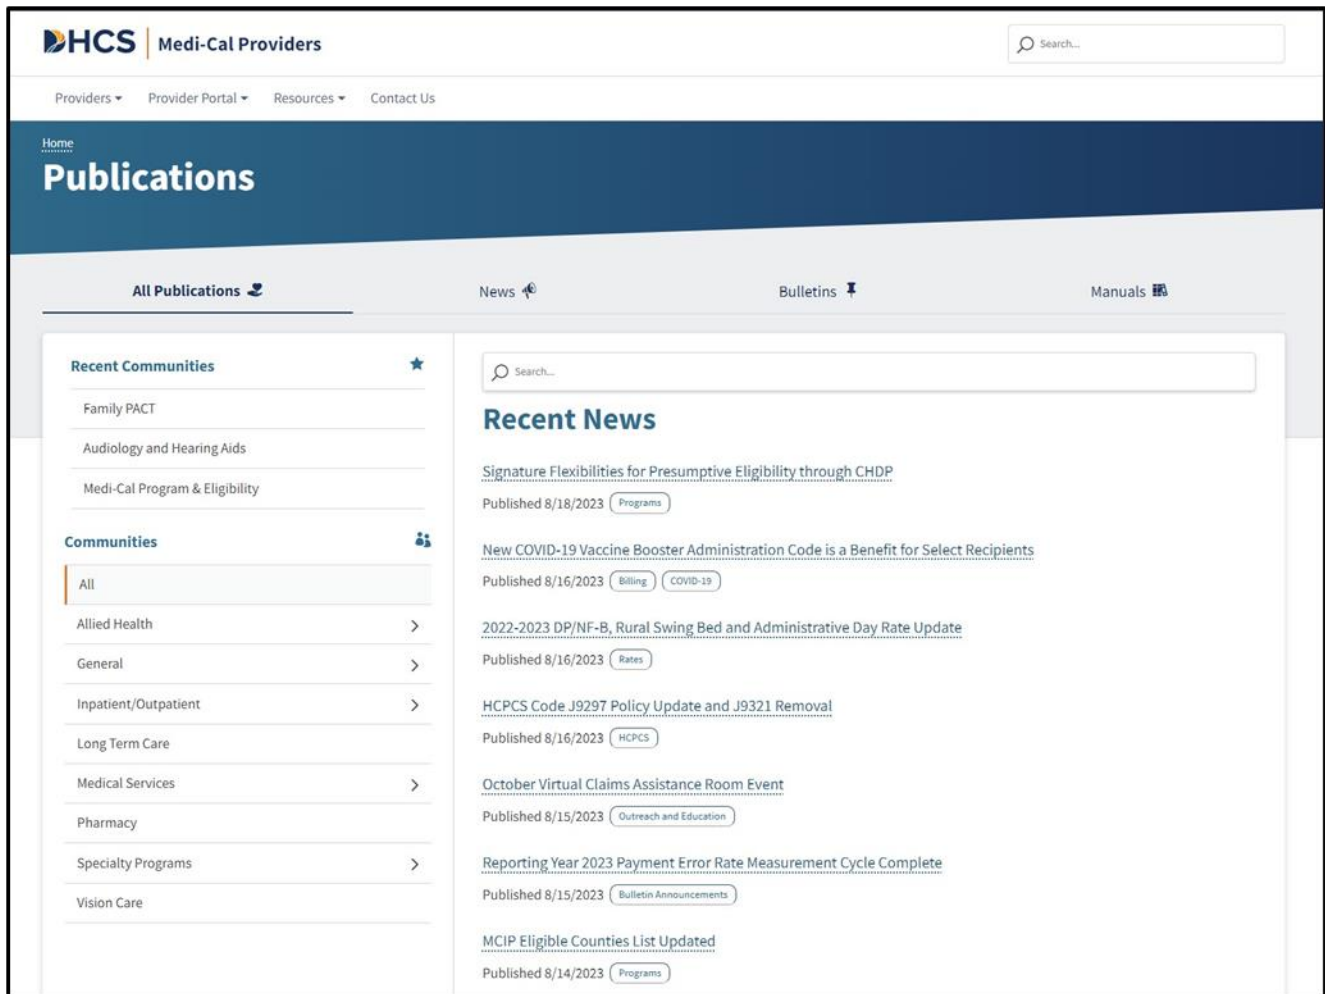

Figure 8.1: The Community Navigation page with Communication tab selected.

Frequently Asked Questions

This link directs the user to the **Medi-Cal Provider Portal** FAQ page containing an assortment of helpful links to facilitate participation in the Provider Portal.

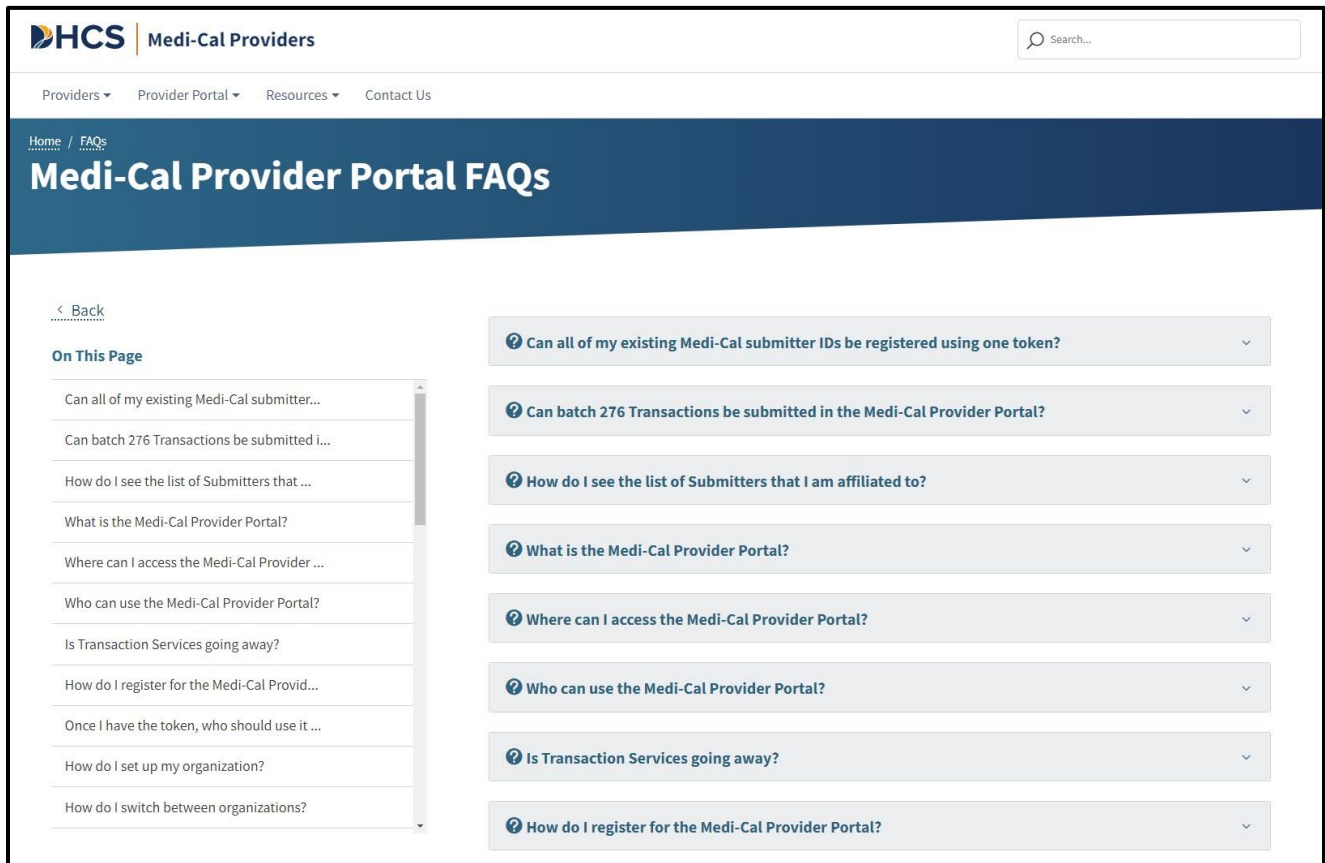

Figure 8.2: The Medi-Cal Provider Portal FAQ page.

System Alerts

This link directs the user to the System Status page of the Medi-Cal Providers website. Current system issues or announcements are displayed.

The screenshot shows the Medi-Cal Providers website header with the HCS logo and navigation links: Providers, Provider Portal, Resources, and Contact Us. The main heading is 'System Status' with a 'Home' breadcrumb. The status is 'Current System Status as of: Monday, August 21, 2023 at 01:30:08 PM'. A green checkmark icon precedes the text 'All Medi-Cal systems are functioning properly'. Below this, a paragraph states: 'The Medi-Cal program continually strives to give providers the most current information available. To maintain this level of communication, Medi-Cal has established this page as an early warning system for any widespread problem that may impact providers.' A section titled 'Medi-Cal Provider Website and Systems Maintenance Window' contains two paragraphs: 'The normal maintenance window for the Medi-Cal Provider website and systems is midnight to 2 a.m. This timeframe is used to apply system changes and updates. Transaction Services on the Medi-Cal Provider website may not be available for providers to perform transactions during this time. For further information related to the maintenance window, contact the TSC at 1-800-541-5555.' and 'Extended mainframe maintenance occurs on the second Sunday of every month from 2 a.m. to 6 a.m., at the latest. This page will be updated when the maintenance is completed. During the extended window, the Medi-Cal Point of Service (POS), Automated Eligibility Verification System (AEVS), Provider Telecommunications Network (PTN) and certain Transactions Services on the Medi-Cal Provider website may not be available.'

Provider Portal Admin User

Introduction

Purpose

The purpose of this module is to review the Provider Portal Administrator (Admin) role and provide an overview of the Provider Portal website.

Module Objectives

- How to register an organization.
- Options to access the Provider Portal website.
- Provide a walk-thru of the Provider Portal website and its functions.
- Examine the Provider Portal tiles.
- Review valuable references on the Provider Portal website.
- Demonstrate registering a user.
- Submitter Admin requests Provider affiliation.
- Review various Admin functions.

Acronyms

A list of current acronyms is located in the *Appendix* section of each complete workbook.

Provider Portal Overview

The Provider Portal houses communications, notifications and organization information for Medi-Cal providers and provider healthcare staff. It focuses on reducing paper communication between DHCS and provider communities, increasing the security and accessibility of Medi-Cal electronic services and empowering providers in managing their organization to support their billing needs.

Highlights

- Ability to manage user and user access.
- Reduce physical mail volume.
- Enable organizational single sign-on.
- Electronic record of notifications such as access requests and new correspondence.
- Self-service capabilities such as resetting user's Personal Identification Number (PIN).

Registering an Organization

Note: This is the first step in setting up the Provider Portal for the organization and should be completed by one trusted individual. This person will automatically be given the role of Organization Administrator (Org Admin) in the Provider Portal, including permissions for all National Provider Identifiers (NPIs) and correspondence. All other users will be created by an existing Org Admin. If the organization has already been set up, continue to the “How to Register” section of this module.

When registering an organization, the Department of Health Care Services (DHCS) will issue a one-time registration token directly to the designated provider organization. This token will be sent by letter to the pay-to address on file with Medi-Cal and it **must be used within 30 days of the date issued or it expires**. Once the Org Admin has been identified and has received the token, the steps below should be followed:

1. Navigate to the Provider Portal Log In screen at:
<https://provider-portal.apps.prd.cammis.medi-cal.ca.gov/>. Enter email address then select the **Join Medi-Cal Provider Portal**.

The screenshot displays the Provider Portal Log In interface. At the top, there is a dark blue header with the CA.gov logo on the left and 'Login' and 'Settings' links on the right. Below the header is a navigation bar with icons and labels for 'Providers', 'Beneficiaries', 'Resources', 'Related', 'Contact Us', and 'Search'. The main content area has a purple-tinted background image of healthcare workers. In the center, a white box contains the 'Log In' section. It includes a heading 'Log In', a subtext explaining the login process, and two input fields: 'Email Address' and 'Password'. Below these fields are a 'Forgot password?' link and a purple 'Log In' button. At the bottom of the white box, there is a link to 'Click below to register for a new portal account' and a large purple button labeled 'Join Medi-Cal Provider Portal'. At the very bottom of the page, there is a footer with contact information: 'Need help or have a question? 1-833-948-4270' and 'The Provider Portal Support Line is available 8 a.m. to 5 p.m., Monday through Friday, except national holidays.'

Figure 1.1: The Provider Portal Log In screen.

2. The Secure Token ID pop-up window appears. Enter the token provided and select **Submit**.

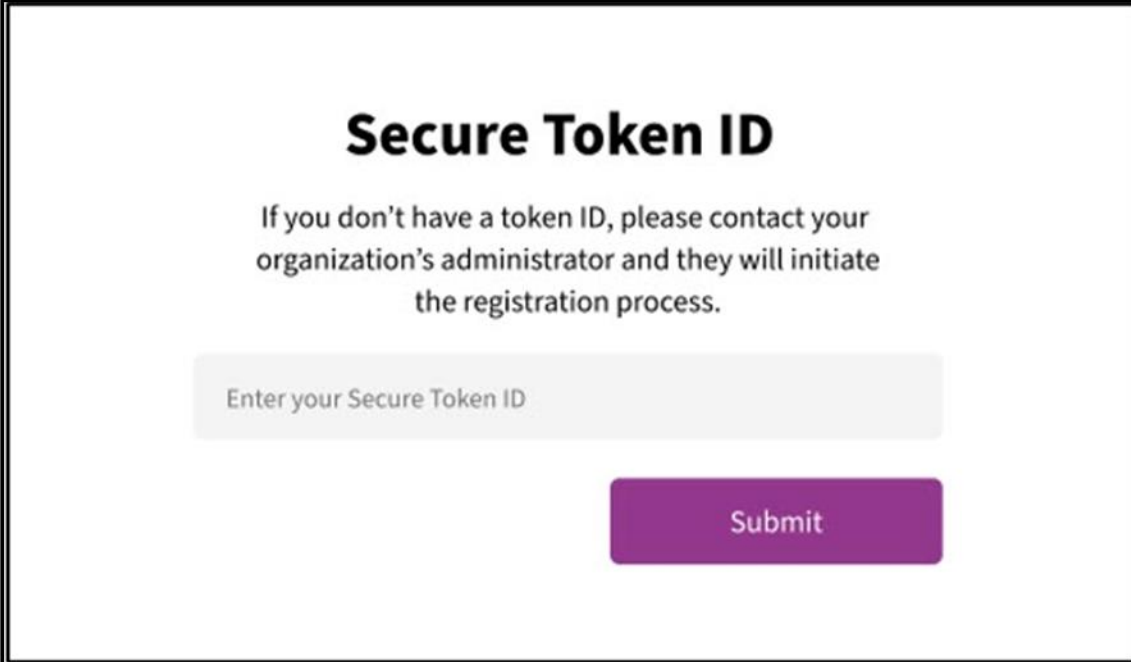

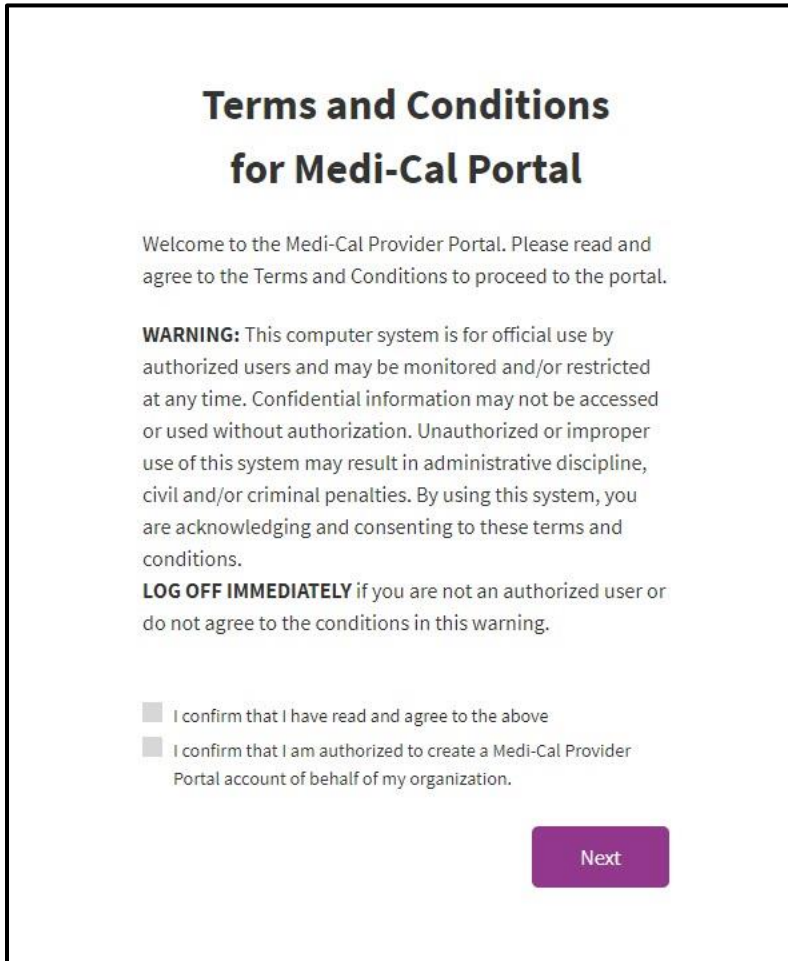

The image shows a web-based form titled "Secure Token ID". Below the title is a paragraph of text: "If you don't have a token ID, please contact your organization's administrator and they will initiate the registration process." Below this text is a light gray rectangular input field with the placeholder text "Enter your Secure Token ID". To the right of the input field is a purple rectangular button with the text "Submit" in white.

Figure 1.2: Secure Token ID screen.

B Provider Portal Admin User

Page updated: June 2023

3. A **Terms and Conditions for Medi-Cal Provider Portal** window displays. Check the “I confirm I have read and agree to the above” box and select **Next**.

The screenshot shows a web page titled "Terms and Conditions for Medi-Cal Portal". The page has a white background with a black border. The title is in a large, bold, black font. Below the title, there is a paragraph of text: "Welcome to the Medi-Cal Provider Portal. Please read and agree to the Terms and Conditions to proceed to the portal." This is followed by a "WARNING" section in bold, stating that the system is for official use only and that unauthorized use could result in disciplinary or criminal penalties. Below the warning, there is a "LOG OFF IMMEDIATELY" instruction. At the bottom, there are two checkboxes, both of which are currently unchecked. The first checkbox is labeled "I confirm that I have read and agree to the above" and the second is labeled "I confirm that I am authorized to create a Medi-Cal Provider Portal account of behalf of my organization." To the right of these checkboxes is a purple button with the word "Next" in white text.

Terms and Conditions for Medi-Cal Portal

Welcome to the Medi-Cal Provider Portal. Please read and agree to the Terms and Conditions to proceed to the portal.

WARNING: This computer system is for official use by authorized users and may be monitored and/or restricted at any time. Confidential information may not be accessed or used without authorization. Unauthorized or improper use of this system may result in administrative discipline, civil and/or criminal penalties. By using this system, you are acknowledging and consenting to these terms and conditions.

LOG OFF IMMEDIATELY if you are not an authorized user or do not agree to the conditions in this warning.

☐ I confirm that I have read and agree to the above

☐ I confirm that I am authorized to create a Medi-Cal Provider Portal account of behalf of my organization.

Complete the following to reactivate a user:

4. On the **Dashboard**, select **Manage Users** contained in the **Administration** tile to open the user management area.

Figure 5.13: Administration area of the Portal home page.

5. In the search bar, search for the desired user to reactivate. Select the row that appears to open the user's information profile.

Figure 5.14: User management area for updating user information and permissions.

6. At the top right corner of the user profile, select the **kebab menu** in the top right corner. A link to **Reactivate User** appears.

Figure 5.15: User Management and Permissions screen with Reactivate User option.

B Provider Portal Admin User

Page updated: October 2022

7. Click **Reactivate User**. A pop-up window appears prompting to reactivate this user. Click **Confirm**.

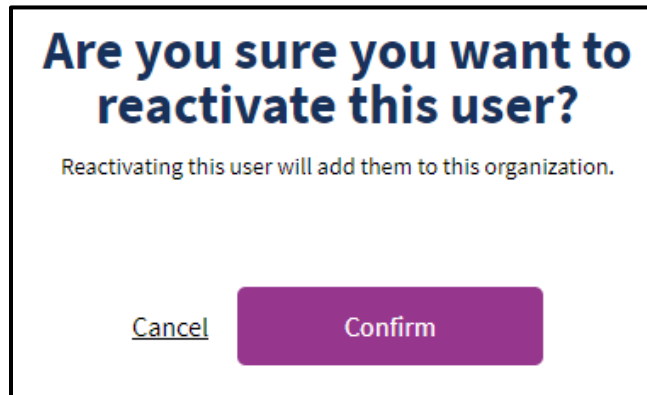

Figure 5.16: A pop-up window prompting to reactivate this user.

8. Once the confirm button has been clicked, the user is active again.

Domain Management

To remove an unwanted domain from your organization, first ensure that there are no active users with that email address. If there are, those users must be deactivated first in order to remove the domain.

9. In the Administration tile, click **Manage Users**.

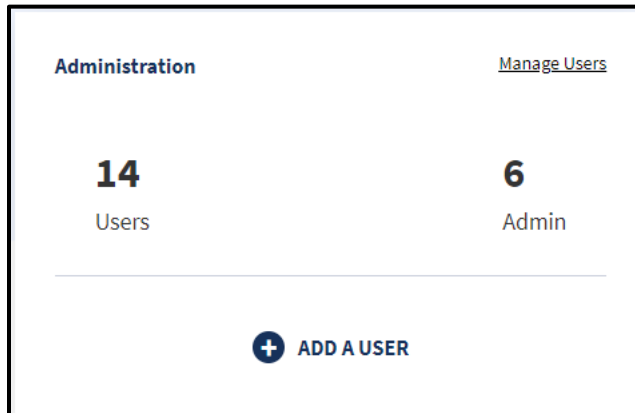

Figure 6.1: Administration area of the Portal home page.

10. Click **Domain Management**

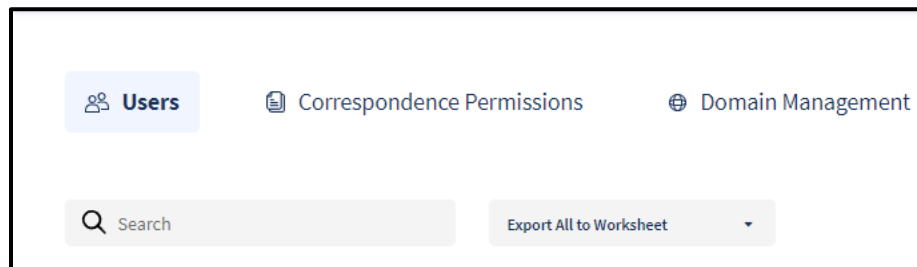

Figure 6.2: Domain management screen.

B Provider Portal Admin User

Page updated: October 2022

11. Click **Remove** next to the domain that should be removed.

Figure 6.3: Domain management screen continued.

Notifications

The **Notifications** tile displays an organization's unread and past messages. The most recent notifications appear on the dashboard. To view more messages, a user can select **View All** or **+ more**.

Figure 6.4: The Notifications tile.

B Provider Portal Admin User

Page updated: October 2022

Once View All or +more is selected, a page appears with all past and current notifications. Past notifications can be viewed by using the search field or by using the **Filter By Date** feature. To use this feature, select the Filter By Date menu and enter the desired date range and select **Apply**. Also in the upper right corner, is a link to **Edit Notification Preferences**.

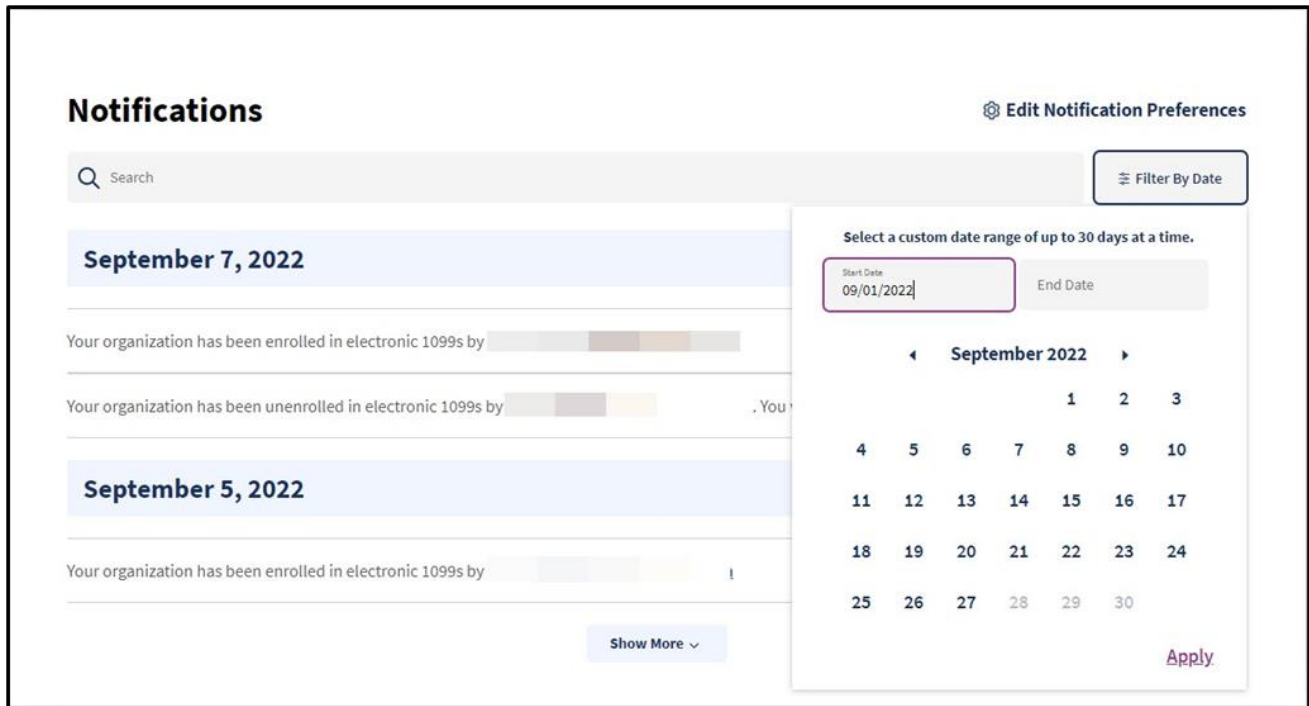

Figure 6.5: The Notifications page with **Edit Notification Preferences** link in the upper right corner.

PIN Management

The NPIs that are assigned to an organization are viewable in the **PIN Management** tile on the homepage. The user's Org Admin determines which NPIs are viewable to a user. To view more NPIs, a user can select **View All** or **+ more**.

Figure 6.6: PIN Management tile.

Additionally, from the PIN Management tile, the user can type in the search bar the provider's name or NPI.

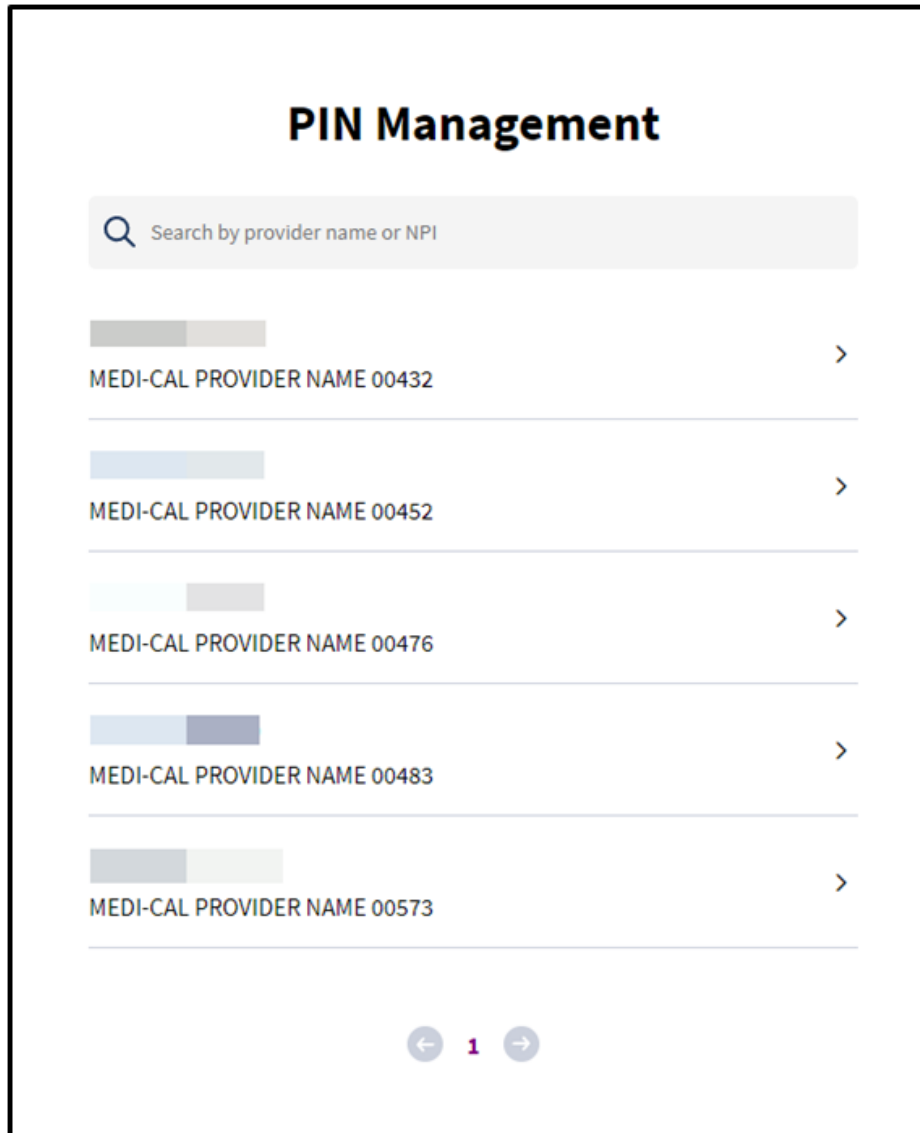

Figure 6.7: PIN Management tile search bar.

B Provider Portal Admin User

Page updated: October 2022

After selecting **View All** or **+more**, from here search by provider name or NPI as well as select the desired provider name from the list.

The screenshot displays a web interface titled "PIN Management". At the top, there is a search bar with a magnifying glass icon and the placeholder text "Search by provider name or NPI". Below the search bar, a list of five provider entries is shown, each consisting of a colored bar, a text label, and a right-pointing chevron. The entries are: "MEDI-CAL PROVIDER NAME 00432", "MEDI-CAL PROVIDER NAME 00452", "MEDI-CAL PROVIDER NAME 00476", "MEDI-CAL PROVIDER NAME 00483", and "MEDI-CAL PROVIDER NAME 00573". At the bottom of the list, there is a pagination control with a left arrow, the number "1", and a right arrow.

Provider Name
MEDI-CAL PROVIDER NAME 00432
MEDI-CAL PROVIDER NAME 00452
MEDI-CAL PROVIDER NAME 00476
MEDI-CAL PROVIDER NAME 00483
MEDI-CAL PROVIDER NAME 00573

Provider Welcome Letter

Provider welcome letters contain information about NPIs, and provider communities related to the organization. To view, follow the steps below:

12. From the Communication Center tile, select **Provider Welcome Letter**. The Correspondence Center will display a list of Provider Types. Select the desired **Provider Type**.

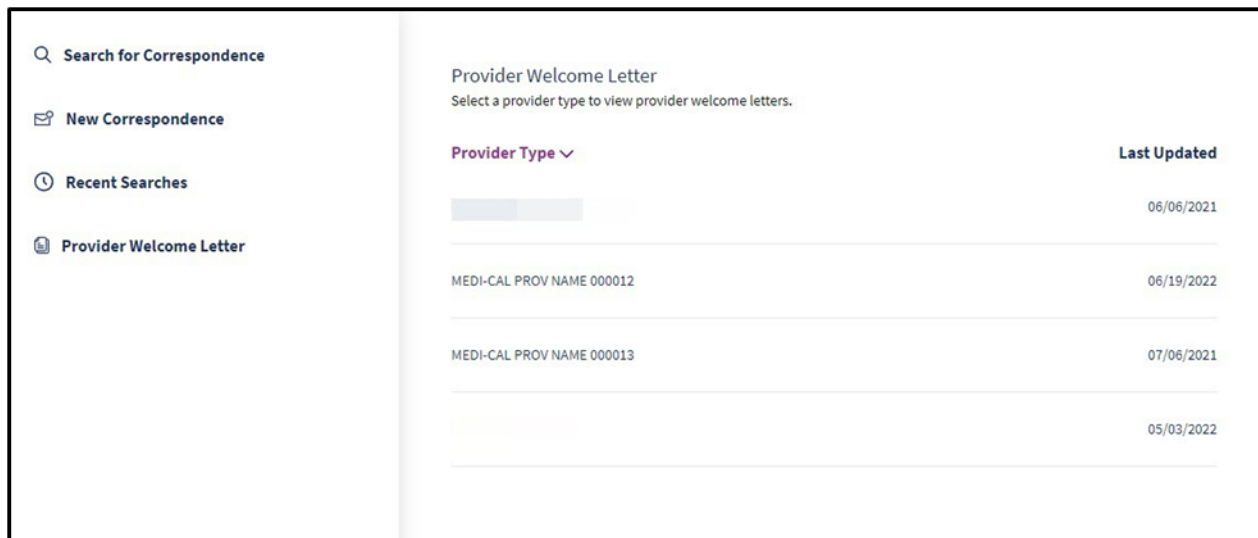

Figure 7.1: Provider Welcome Letter selected from the Communication Center tile.

B Provider Portal Admin User

Page updated: June 2023

13. **Provider Welcome letters** for NPIs assigned to that provider community appear. Select the desired letter.

The screenshot shows a web interface for selecting a provider welcome letter. At the top, it says "Provider Welcome Letter > CORONA REGIONAL MED CTR". Below this is a table with four columns: "Name", "NPI", "Service Location", and "Date". There is one row in the table with a document icon in the "Name" column, the text "Provider Welcome Letter", a placeholder for an NPI, the service location "266 A JQOH AZ", and the date "06/06/2021".

Name ▾	NPI	Service Location	Date
 Provider Welcome Letter		266 A JQOH AZ	06/06/2021

Figure 7.2: Provider Welcome Letter displayed.

14. A PDF version of the letter appears.

Figure 7.3: PDF version of the Provider Welcome Letter.

Tax Documents

Before accessing the available tax documents for the desired provider community, the **Electronic 1099 Consent Agreement** needs to be read and agreed to.

The screenshot shows the 'Tax Documents' section of the Provider Portal. On the left is a sidebar with navigation links: 'Search for Correspondence', 'New Correspondence', 'Recent Searches', and 'Provider Welcome Letter'. The main content area is titled 'Tax Documents' and features a dark blue header with the text 'Electronic 1099 Consent Agreement' and a 'Not Signed' status indicator. Below the header, the text reads: 'I acknowledge and agree to the following on behalf of my organization:'. This is followed by eight numbered points detailing the terms of the agreement, including electronic receipt of 1099s, withdrawal of consent, and access requirements. At the bottom, there are two buttons: 'I Do Not Agree' and 'I Have Read and Agree to The Above'.

Electronic 1099 Consent Agreement Not Signed

I acknowledge and agree to the following on behalf of my organization:

1. You agree to receive all 1099s for your organization electronically and understand you will not receive a paper copy by mail once enrolled in electronic 1099s.
2. DHCS will continue to provide a paper copy by mail if you do not consent to receive electronic 1099s or if you withdraw your consent.
3. Consent may be withdrawn at any time within your Provider Portal account settings.
4. If you wish to receive a paper copy, you may call the Provider Portal Support Line and request that one be sent to you.
5. If your Provider Organization is dis-enrolled from Medi-Cal, an electronic 1099 will not be generated. Any pending 1099s will be delivered via mail to your address on file. Requests to update your address information can be completed by contacting the Telephone Service Center.
6. 1099s will be available for two years, after which they will be removed from Provider Portal. If you wish to receive a copy of a 1099 dated prior to the last two years, you may call the Provider Portal Support Line and request that a copy be mailed to you.
7. To access your 1099s electronically you must have an internet enabled device with access to DHCS Medi-Cal compatible browsers capable of downloading, saving, and printing an Adobe .PDF file. To view the Medi-Cal website compatible browsers, please go to the [Web Tool Box](#).
8. If you withdraw your consent, you will no longer have access to past or future electronic 1099s until you re-enroll and DHCS will resume providing a paper copy for the upcoming fiscal year.

Next, a list of tax documents will appear.

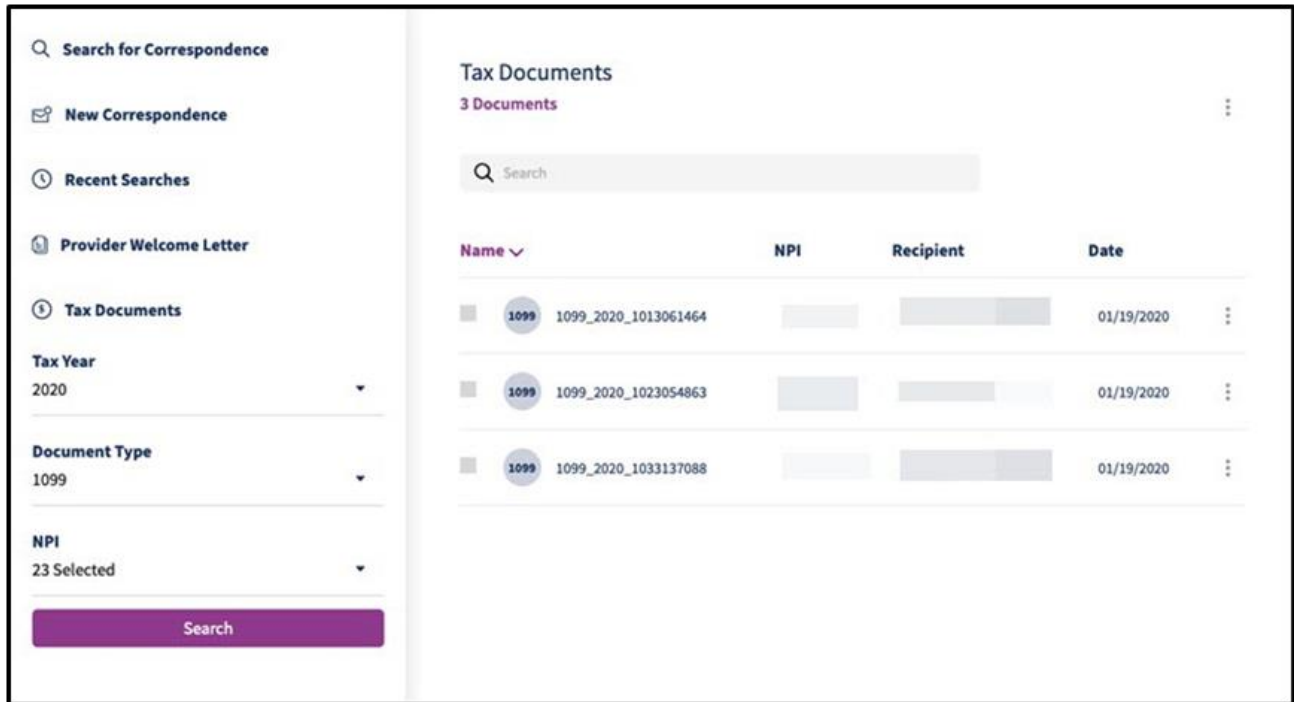

Figure 8.2: A list of tax documents on the Tax Documents screen.

Additional Resources

The Provider Portal contains a number of useful links on the dashboard. Refer to each of the following sections for details.

Transaction Center

A user may access Transaction Services from the Transaction Center in the portal.

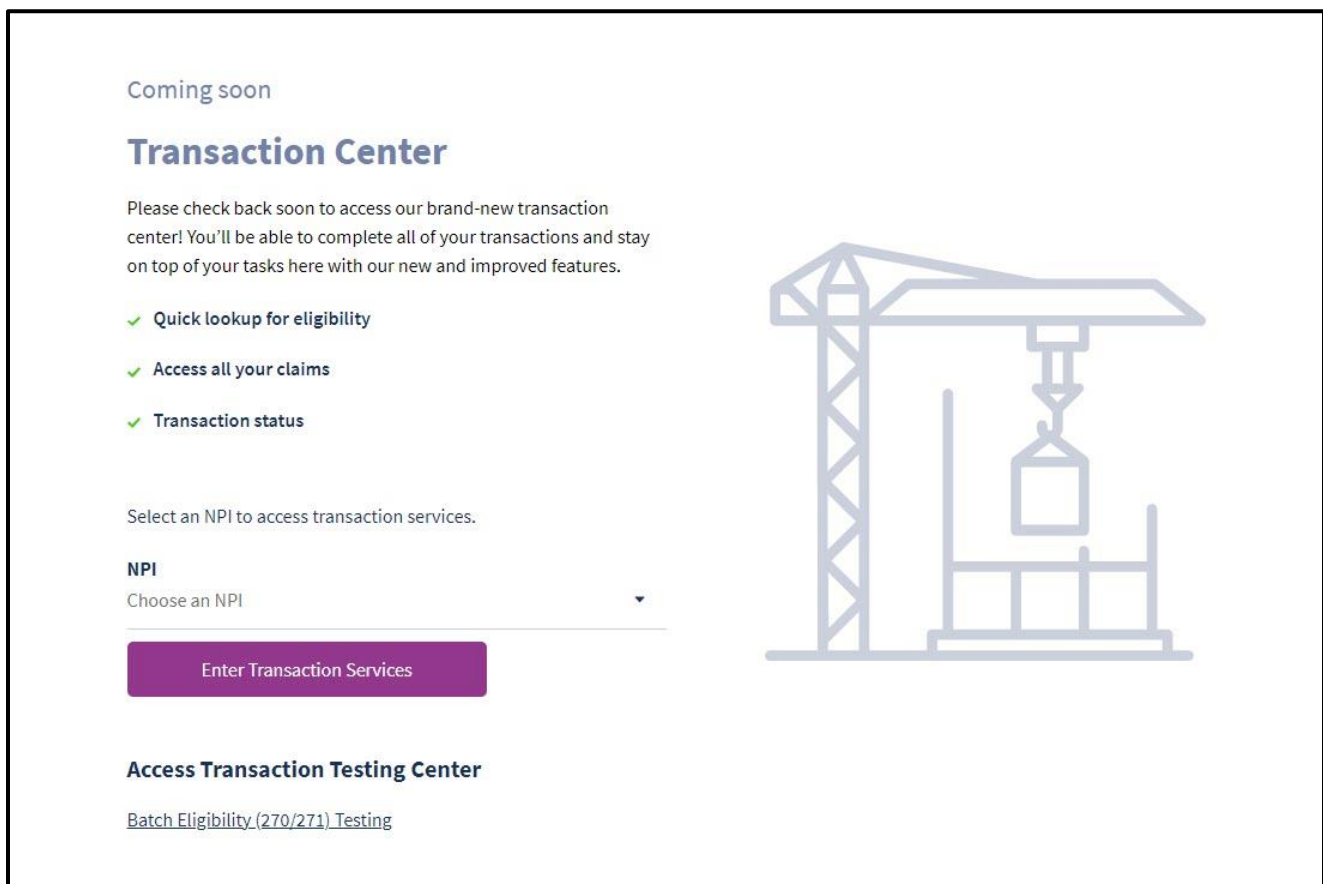

Figure 9.1: Transaction Center coming soon screen.

B Provider Portal Admin User

Page updated: October 2022

From the drop-down menu, select the desired **NPI**.

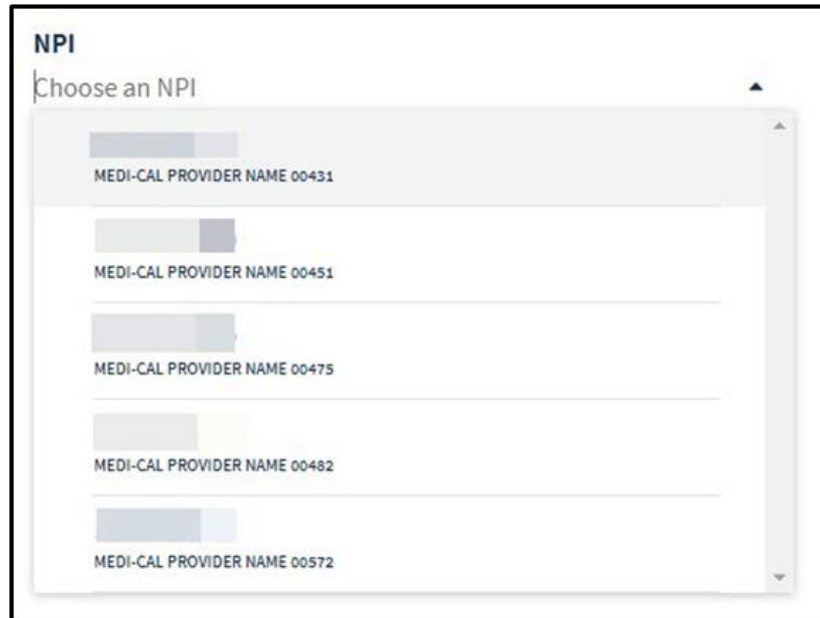

Figure 9.2: Drop-down menu of NPIs.

The user will be directed to **Medi-Cal Transaction Services** to perform secure transactions. The specific transaction options available are based on the provider/submitter enrollment type.

Figure 9.3: Medi-Cal Transaction Services screen.

News and Bulletin

This link automatically directs the user to the Publications area of the Medi-Cal Providers website. Users may view current and archived bulletins, manuals and news articles related to the provider community.

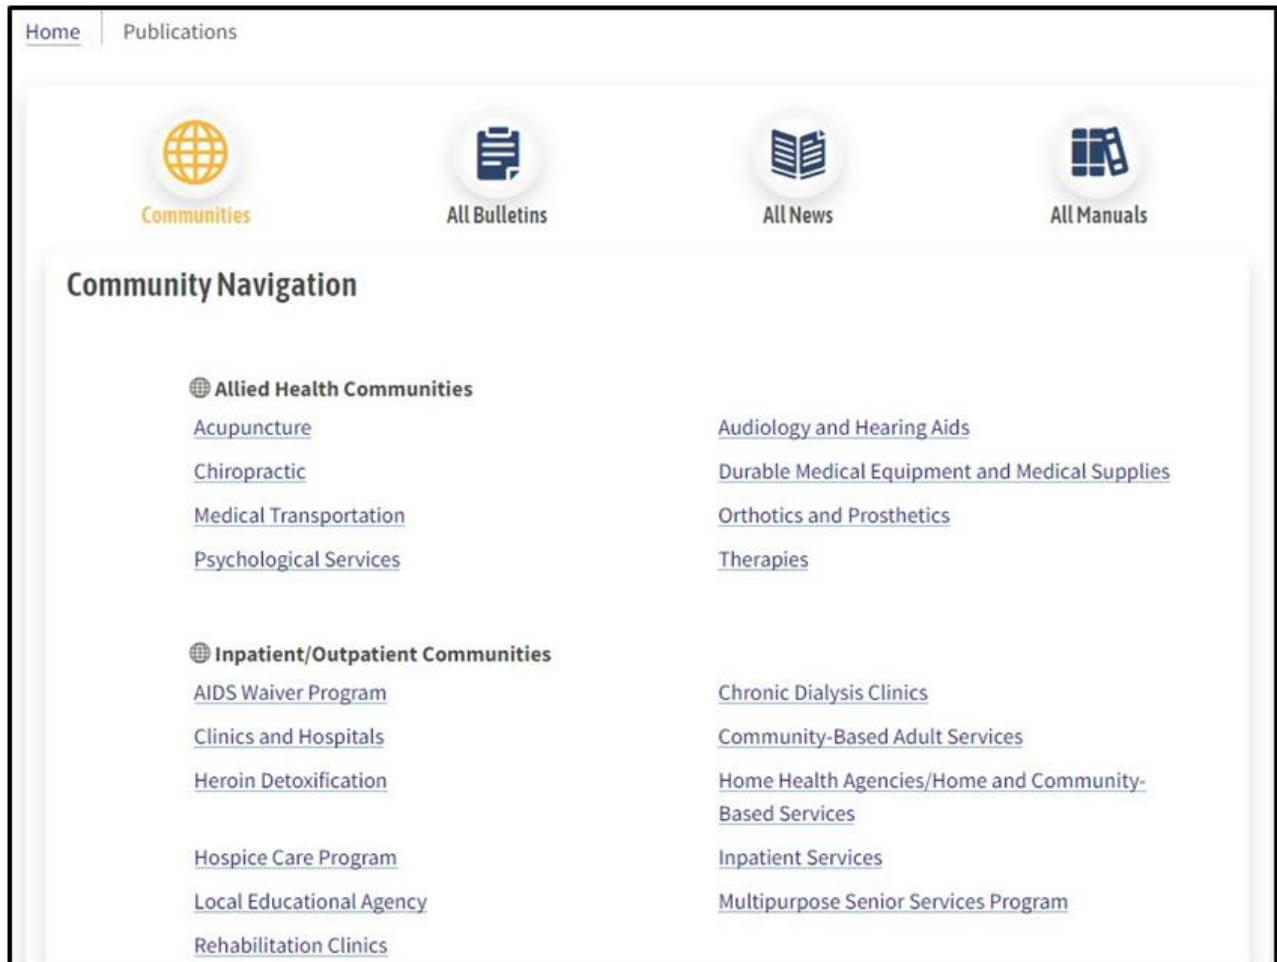

Figure 10.1: The Community Navigation page with Communication tab selected.

Frequently Asked Questions

This Frequently Asked Questions (FAQs) link directs the user to the **Medi-Cal Provider Portal** FAQ page containing an assortment of helpful links to facilitate participation in the Provider Portal.

Figure 10.2: The **Medi-Cal Provider Portal Overview** page.

System Alerts

This link directs the user to the System Status page of the Medi-Cal Providers website. Current system issues or announcements are displayed.

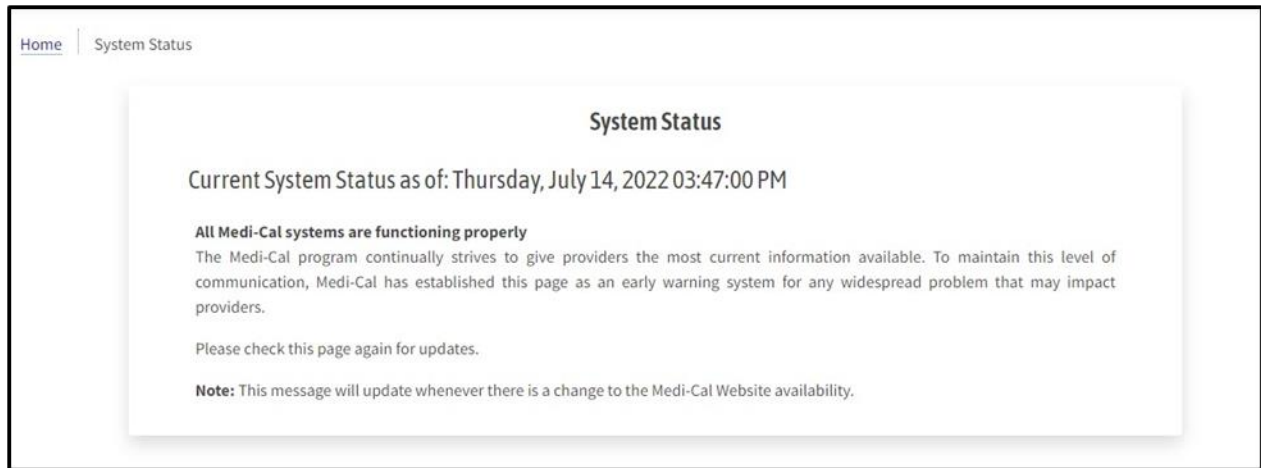

Figure 11.1: System Status page on the Medi-Cal Providers website.

Add a User

Complete the following steps to add a new user:

15. From the homepage, navigate to the Administration tile and select **Add a User**.

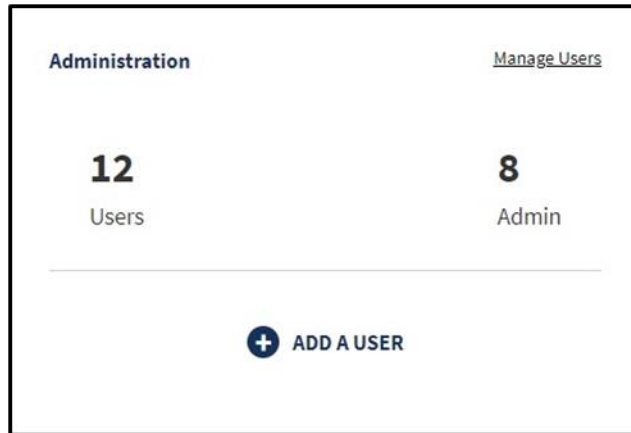

Figure 12.1: Administration tile after selecting **Add a User**.

16. Enter the user's Email Address, First Name, Last Name, Mobile Number and Business Number then select **Next**.

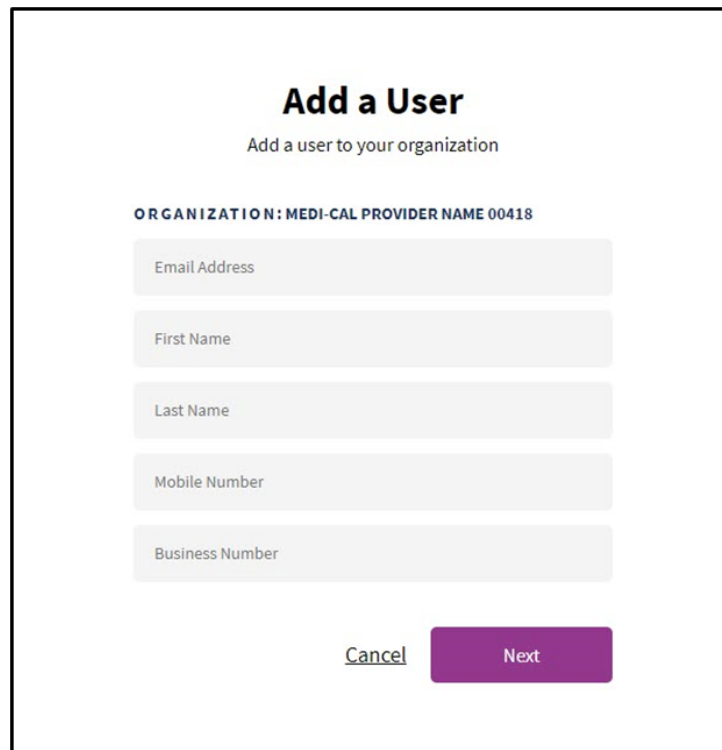

The image shows a form titled "Add a User" with the subtitle "Add a user to your organization". Below the title, it says "ORGANIZATION: MEDI-CAL PROVIDER NAME 00418". There are five input fields stacked vertically: "Email Address", "First Name", "Last Name", "Mobile Number", and "Business Number". At the bottom right of the form are two buttons: a "Cancel" button with a link underline and a solid purple "Next" button.

Figure 12.2: Add a User tile.

B Provider Portal Admin User

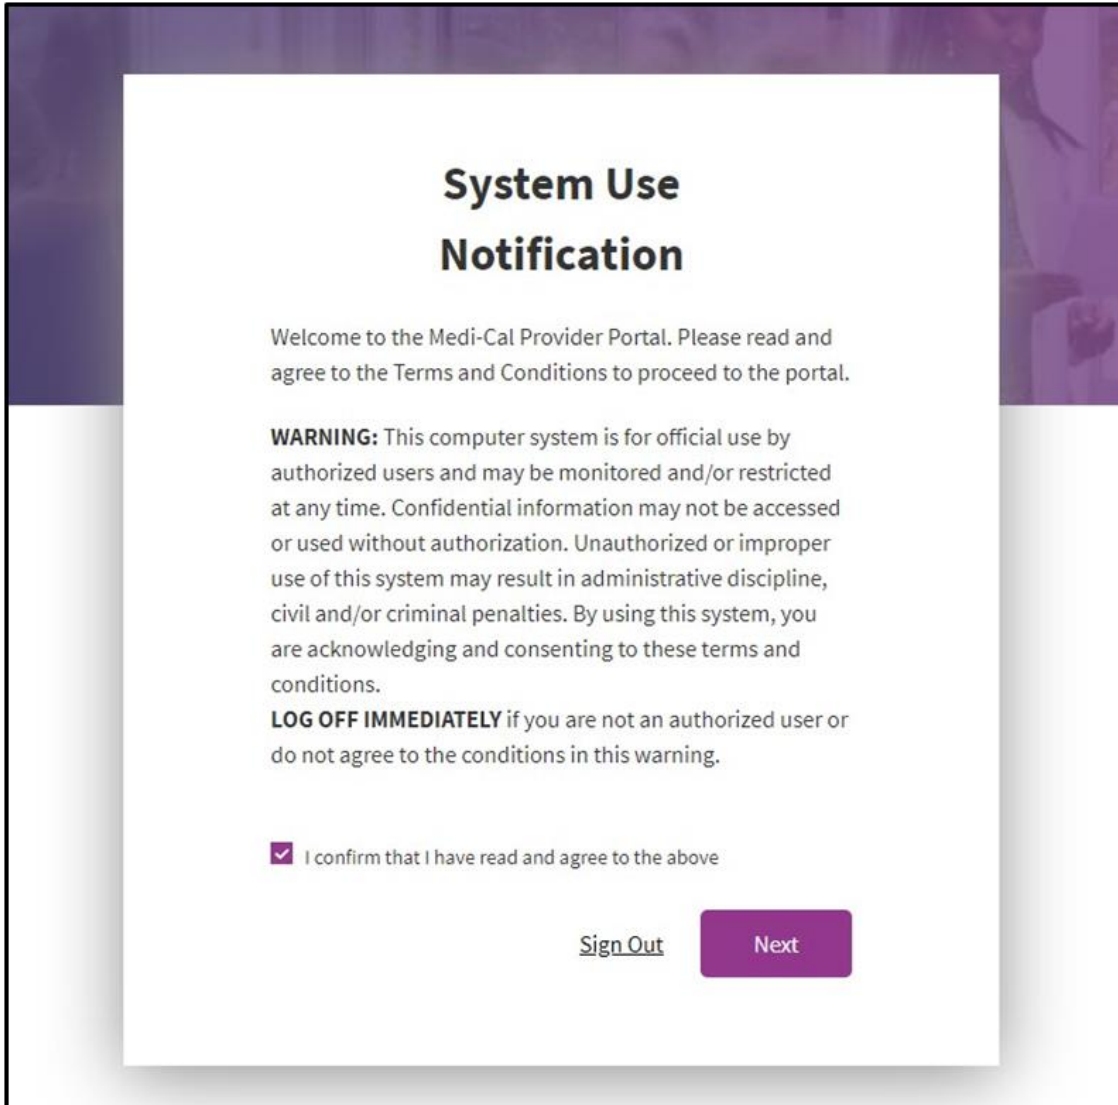

Page updated: October 2022

17. Once the new user has been added, a unique link to register with the Provider Portal is emailed to the user. The link contained in the email can only be used once and it **must be used with seven (7) days**. The link expires if not used within 7 days and the Admin will need to initiate a new registration email. The following steps 4 through 11 apply to the new user who was added. **The Admin may skip to step 12 to set up a user's permissions.**

Figure 12.3: Email from DHCS containing a registration link.

18. Once the link is selected in the registration email, a **System Use Notification** window will appear. Read the System Use Notification, check the “I confirm that I have read and agree to the above,” then select **Next**.

System Use Notification

20. In the OTP, enter the last six digits of the code that was sent and submit **Next**.

The screenshot shows a web page titled "One-Time Passcode". Below the title, it says "Enter the one-time passcode provided to you in your mobile phone. This passcode will expire in 10 minutes". Underneath, it states "Sent to phone number ending in 2358". A large number "8414 -" is displayed, followed by a text input field labeled "One-time passcode". Below the input field, there is a link "Resend one-time passcode" and a purple button labeled "Next". At the bottom, it says "Having trouble? [Use another phone number instead.](#)"

Figure 12.6: OTP page.

21. A Registration Complete window will appear.

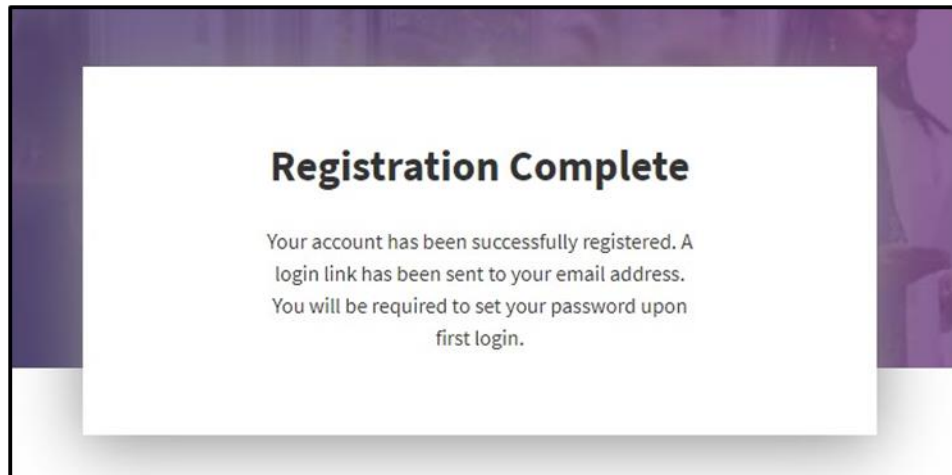

Figure 12.7: Registration Complete window.

B Provider Portal Admin User

Page updated: October 2022

22. When the registration is completed, an email will be sent to the user's registered email address to set up a password. The user must select the link in the email **within 30 minutes or it will expire** to continue the registration process.

Figure 12.8: Email from DHCS with a link to set up a password.

23. A pop-up window to create a new password will appear. Enter a password that meets the password criteria and select **Submit**.

Note: The password must be a minimum of 15 characters, contain at least one uppercase, lowercase, a number and a special character. It cannot be the same or similar to the previous 5 passwords.

The image is a screenshot of a web form titled "Create New Medi-Cal Password". It has a yellow header bar. Below the header is a text input field labeled "New Password" with a yellow background and a password strength indicator (a series of dots). To the right of the field is an eye icon. Below the field are two green checkmarks with text: "Minimum of 15 characters" and "Must include at least one: uppercase character, lowercase character, number, and special character (e.g. !\$#%)". Below these is a red asterisk with text: "Cannot reuse a recently used password". Below that is a text input field labeled "Re-Enter Password". At the bottom left is a link "View Password Requirements". At the bottom right is a purple button labeled "Submit".

Figure 12.9: Create a New Medi-Cal Password page.

24. The new user is now successfully registered and may log into their account at any time.

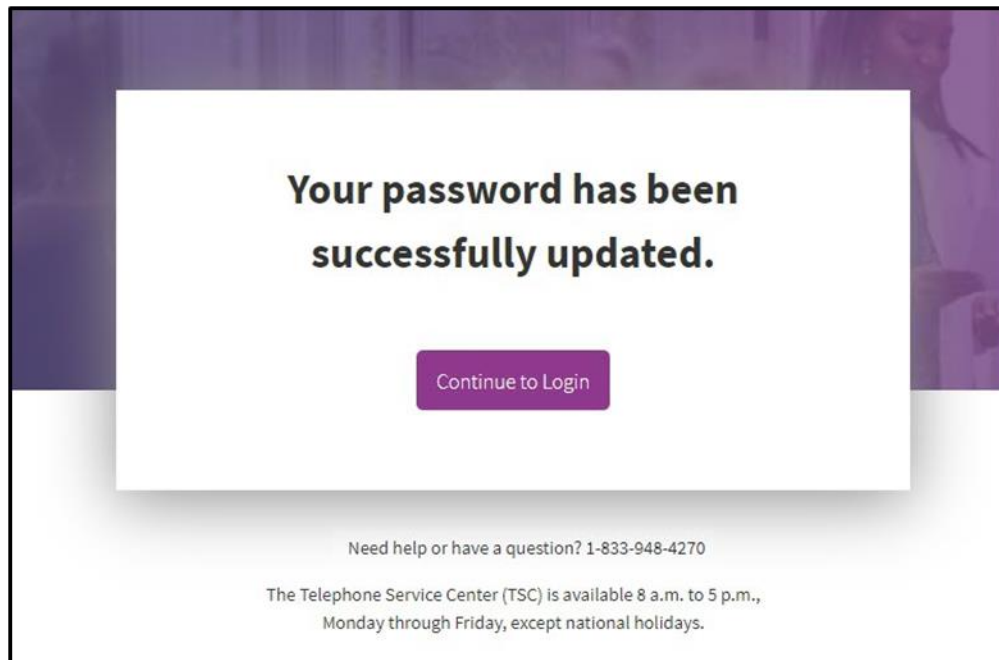

Figure 12.10: The Password has been successfully updated window.

25. Next step is the option of setting up the user's permissions now or at a later time. If **Skip For Now** is selected, the user will have very limited access to the organization. Their permissions can be updated at another time (refer to the "Update User Information/Permissions" section). Select the option **Assign Now** to begin selecting permissions.

Note: If permissions are never assigned, eventually the user will be deactivated and the Admin will need to reactive the user.

Figure 12.11: Select the **Assign Now** option to begin selecting permissions.

B Provider Portal Admin User

Page updated: June 2023

26. The first step is to **Assign NPI Permissions (Required)**. Select one of the following level of permissions for each NPI:

- **Admin:** Users with an NPI role of administrator will have access to view and reset NPI PINs and view tax documents and correspondence that has been granted to them by their Organization Administrator. They will not have access to add, remove, or modify users if they are not assigned the Organization Administrator role.
- **Processor:** A processor has the ability to receive notifications, search, read and export correspondence.
- **None:** A user will have no access to the NPI; this is the default setting.

32. Step 3 is **Assign Permissions Across Organization** where organization-level user permissions can be assigned to add, remove or modify users. This step is optional and may be completed later. Navigate to the dropdown menu, check Admin, Processor or None. Select **Save and Finish**.

The screenshot shows a web interface for Step 3, titled "Assign Permissions Across Organization (Optional)". Below the title is a subtitle: "Assign an organization permission level to this user." On the left, there is a dropdown menu with four options: "None", "Admin", "Processor", and "None" (with a checkmark). To the right of the dropdown is a light blue informational box. It contains two paragraphs: the first describes the "Administrator" role, stating it gives full permissions to all NPIs but not correspondence permissions, and advises to "Assign this role with care"; the second describes the "None" role, stating it gives no permissions at the organization level but NPI level permissions can still be set. At the bottom right of the interface is a purple button labeled "Save and Finish" with a right-pointing arrow above it.

Step 3

Assign Permissions Across Organization (Optional)

Assign an organization permission level to this user.

None

Admin

Processor

✓ None

Administrator will give the user full permissions to all NPIs in the organization and will provide the user with full access to add, edit, delete, and assign permissions to users within this organization. However, this administrator will NOT automatically be assigned correspondence permissions. If this administrator needs to access correspondence, you will need to manually assign correspondence permissions above. **Assign this role with care.**

None will give the user no permissions at an organization level. NPI level permissions can still be set. Most users will fall into this permission level.

→ Save and Finish

Figure 12.18: Step 3: Assign Permissions Across Organization, select **Save and Finish**.

Page updated: October 2022

33. A confirmation page appears containing the new user's information as entered. If any information is incorrect, select **Edit** next to the incorrect field.

The screenshot displays the 'User Management and Permissions' interface. At the top right, a green checkmark icon is accompanied by the text: 'This user has been added and will receive an email to complete their registration.' Below this, a '+ Add Another User' link is visible. The main section is titled 'User Management and Permissions' and contains a user profile card. The card shows a user icon, a blurred email address, and 'Last Login: Never'. To the right of the profile, there is an 'Edit' link and a 'Phone Number' section. The 'Phone Number' section includes 'Business Phone:' and 'Mobile Phone:' fields, each with an 'Edit' link. Below the user profile card, there is an 'NPI Permissions' section. This section features a search bar with the placeholder text 'Filter by NPI number' and a list of tabs: 'All (23)', 'Assigned (1)', and 'Unassigned (22)'. The 'All (23)' tab is currently selected.

Add a new Organization

34. Log in to the Provider Portal and select the **Add or Switch Organization** from the drop-down menu, then select **Add a New Organization**.

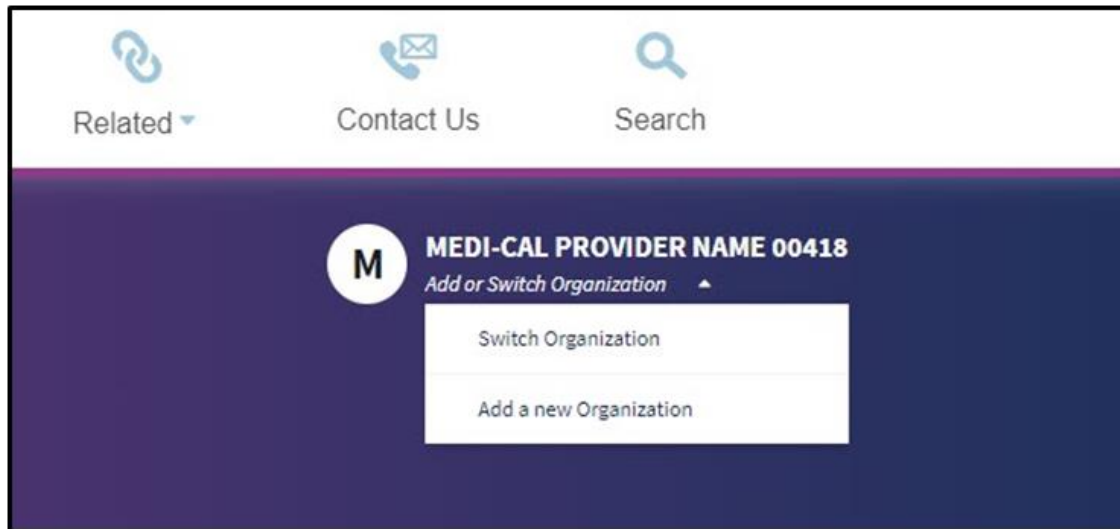

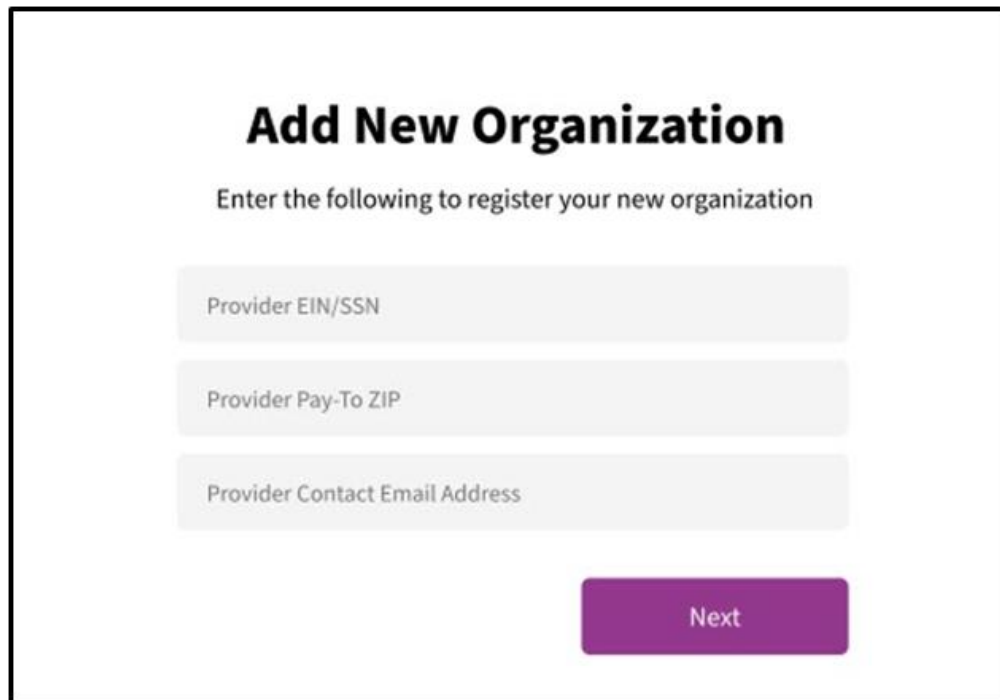

Figure 13.1: The Switch Organization or Add a New Organization options under the drop-down menu.

35. Enter the **Secure Token ID** from the token letter.

A screenshot of a web form titled 'Secure Token ID'. Below the title is a paragraph of text: 'If you don't have a token ID, please contact your organization's administrator and they will initiate the registration process.' Below this text is a light gray input field with the placeholder text 'Enter your Secure Token ID'. To the right of the input field is a purple button with the text 'Submit'.

Figure 13.2: Secure Token ID input area.

36. Enter the Provider EIN/SSN, Provider Pay-To-ZIP and Provider Contact Email Address then select **Next**.

The screenshot shows a web form titled "Add New Organization" in bold black text. Below the title is a subtitle: "Enter the following to register your new organization". There are three light gray input fields stacked vertically, each with a placeholder label: "Provider EIN/SSN", "Provider Pay-To ZIP", and "Provider Contact Email Address". At the bottom right of the form is a purple button with the word "Next" in white text.

Figure 13.3: The Add New Organization window with Provider EIN/SSN, Provider Pay-To-ZIP and Provider Contact Email Address input area.

37. Registration is complete. To view the new organization, log out of the Provider Portal and log back in.

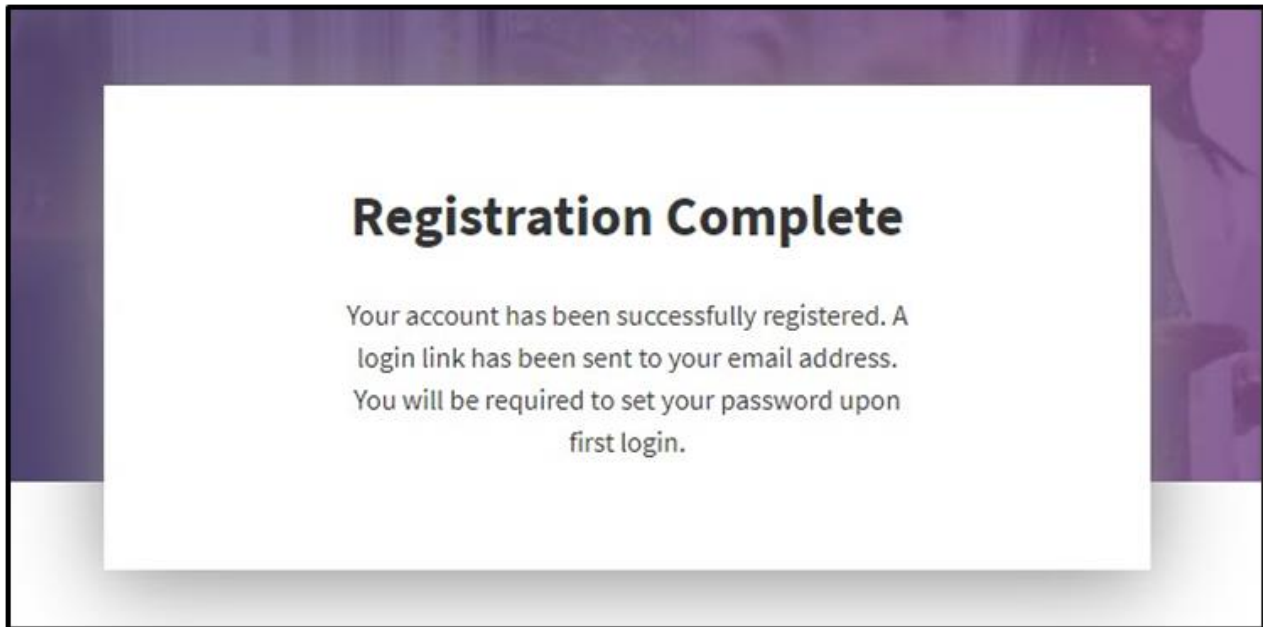

Figure 13.4: The Registration Complete window.

Affiliations

Affiliations are relationships between billing agents and providers. Providers may hire external parties to submit claims to Medi-Cal on behalf of the provider organization. The Department of Health Care Services (DHCS) requires a legal agreement and disclosure of those relationships between the provider and submitter organization(s). Either the provider or submitter may initiate an affiliation request, and each entity must sign a Medi-Cal Telecommunications Provider and Biller Application/Agreement within the Provider Portal application.

Submitter Requests New Affiliation

Follow the below steps to request a new affiliation to a provider.

1. From the Provider Portal homepage, navigate to the **Provider Network** tile and select **View All**.

Figure 14.1: Provider Portal homepage.

B Provider Portal Admin User

Page updated: June 2023

2. Navigate to Affiliations and select **New Provider Affiliation Request**.

The screenshot shows the 'Provider Network' interface. At the top right, there is a purple button labeled 'New Provider Affiliation Request' with an arrow pointing to it. Below the header, there are three tabs: 'Pending Requests' (with a count of 0), 'Affiliations' (which is selected), and 'Submitter Directory Profile'. A search bar is located below the tabs with the placeholder text 'Search by NPI, Organization Name, etc.'. Below the search bar is a table with three columns: 'Organization', 'Date', and 'Status'. The table contains one row with a blurred organization name, the date '01/11/2023-Current', and the status 'Active'. Below the table, there is a 'Contact' link and a blurred contact information section.

Figure 14.2: New Provider Affiliation Request.

3. Complete the **Organization Information** and select **Next**.

The screenshot shows the 'Organization Information' form. The title 'Organization Information' is at the top. Below it, the text reads: 'Enter the following information to begin the process to affiliate with Medi-Cal provider as a Biller/Submitter organization.' Below this is a section titled 'Affiliated Provider Organization' with the following text: 'Affiliation request with a provider organization must be approved by the provider organization. Please enter the provider tax ID and one billing NPI in the provider organization you are seeking affiliation with. The provider organization must be actively enrolled. Please note: entering an NPI is for verification purposes only. The organization admin will assign access to NPIs after approval.' Below this is another line of text: 'You must attest your authority to agree and that you agree to the affiliation terms and conditions on behalf of your organization.' There are two input fields: 'Provider Tax ID or SSN' and 'NPI'. At the bottom right, there is a purple button labeled 'Next' with an arrow pointing to it.

(For electronic claim submission)

STATE OF CALIFORNIA—HEALTH AND HUMAN SERVICES AGENCY
DEPARTMENT OF HEALTH CARE SERVICES
DHCS 6153 (Rev. 08/19)

1.2 BACKGROUND INFORMATION

The Provider/Biller agrees to provide the Department with the above information requested in order to verify qualifications to act as a Medi-Cal electronic Biller.

2.0 DEFINITIONS

The terms used in this agreement shall have their ordinary meaning, except those terms defined in regulations, Title 22, California Code of Regulations, Section 51502.1, shall have the meaning ascribed to them by that regulation as from time to time amended. The term “electronic” or “electronically,” when used to describe a form of claims submission, shall mean any claim submitted through any electronic means such as: magnetic tape or modem communications.

3.0 CLAIMS ACCEPTANCE AND PROCESSING

The Department agrees to accept from the enrolled Provider/Biller, electronic claims submitted to the Medi-Cal fiscal intermediary in accordance with the Medi-Cal provider manuals. The Provider hereby acknowledges that he has received, read, and understands the provider manual and its contents, and agrees to read and comply with all provider manual updates and provider bulletins relating to electronic billing.

3.1 CLAIMS CERTIFICATION

The Provider agrees and shall certify under penalty of perjury that all claims for services submitted electronically have been personally provided to the patient by the Provider or under his direction by another person eligible under the Medi-Cal Program to provide to such services, and such person(s) are designated on the claim. The services were, to the best of the Provider’s knowledge, medically indicated and necessary to the health of the patient. The Provider shall also certify that all information submitted electronically is accurate and complete. The Provider understands that payment of these claims will be from federal and/or state funds, and that any falsification or concealment of a material fact may be prosecuted under federal and/or state laws. The Provider/Biller agrees to keep for a minimum period of three years from the date of service an electronic archive of all records necessary to fully disclose the extent of services furnished to the patient. A printed representation of those records shall be produced upon request of the Department during that period of time. The Provider/Biller agrees to furnish these records and any
