
Medicare/Medi-Cal Crossover Claims: Long Term Care Billing Examples

Page updated: August 2020

This section illustrates billing examples of Medicare/Medi-Cal crossover claims for long term care (LTC) services on the *Payment Request for Long Term Care (25-1)* and correlating Remittance Advice (RA) examples. Refer to the *Medicare/Medi-Cal Crossover Claims: Long Term Care* section in this manual for detailed policy information. Refer to the *Payment Request for Long Term Care (25-1) Completion* section of this manual for instructions to complete claim fields not explained in the following examples. For additional claim preparation information, refer to the *Forms: Legibility and Completion Standards* section of this manual.

Note: A crossover claim reflects what was billed to Medicare, but only Medi-Cal-required fields are used for claims processing.

Billing Tips

When completing claims, do not enter the decimal points in ICD-10-CM codes or dollar amounts. If requested information does not fit neatly in the *Explanations* area of the 25-1, type it on an 8½ x 11-inch sheet of paper and attach it to the claim.

Hard Copy Billing Examples

The following examples show how to bill hard copy Medicare/Medi-Cal crossover claims:

- *Figures 1a and 1b.* Billing Medi-Cal for Part A Services Billed to a Part A Contractor.
- *Figures 2a and 2b.* Billing Medi-Cal for Part B Services Billed to a Part A Contractor.
- *Figure 3.* Billing Medi-Cal for Part B Overlapping Dates of Service.

Medicare RA Examples

Sample Medicare RAs on the following pages are partial examples of applicable fields only.

Billing Medi-Cal for Part A Services Billed to a Part A Contractor.

Figure 1a. Billing Medi-Cal for Part A Services Billed to a Part A Contractor

This is a sample only. Please adapt to your billing situation.

On line 1, the gross amount of \$3789.68 (Box 17) is the Medicare covered charges less the contract adjustment amount from the Medicare RA. There is a \$50 Medi-Cal Share of Cost (SOC) (patient liability) (Box 18). The Medicare paid amount of \$2977.68 is entered in the *Other Coverage* field (Box 19). The Medicare payment and SOC amounts are subtracted from the gross amount (\$3789.68 minus \$50 minus \$2977.68), leaving the *Net Amount Billed* field (Box 20) as \$762.00.

Note: This claim is for a bill type 214 where the last date of service is the discharge date and therefore not included when calculating the coinsurance days. Due to Medicare consolidated billing and contract adjustments, Medicare allowed amounts may appear excessive, but are not uncommon for crossover claims.

Line 2 illustrates a recipient whose Part A benefits have been exhausted (Box 38, *Other Coverage*, is blank). After 100 days, the recipient's claim becomes a straight Medi-Cal claim. Therefore, the net amount of \$3456.30 (Box 39) billed to Medi-Cal equals the gross amount (Box 36), which is calculated for straight Medi-Cal by multiplying the appropriate Medi-Cal daily rate for the accommodation code by the total number of days.

Figure 1a: Billing Medi-Cal for Part A Services Billed to a Part A Contractor

The Medi-Cal payment on Part A LTC crossover claims is the full coinsurance less any SOC.

Formula for Calculating Part A Crossover Amounts

The formulas for calculating Part A crossover amounts are as follows:

Gross Amounts

Medicare covered charges minus the contract adjustment amount, if any (from EOMB/RA).

Patient Liability

On a Part A LTC claim, patient liability only applies to the Medi-Cal SOC. There is no Medicare deductible. If the patient has a “0” SOC (patient liability), leave blank. If a patient has an SOC, enter the amount being applied to this claim.

Other Coverage

Medicare paid amount (from EOMB/RA).

Net Amount Billed

Gross Amount minus Patient Liability (SOC) minus Other Coverage.

Note: LTC SOC is cleared solely by the facility in which the recipient resides. Claims (for LTC recipients) from other than the LTC facility should contain no SOC information. Refer to the *Share of Cost (SOC)* section in the Part 1 manual for detailed instructions on clearing a recipient’s SOC.

Billing Medi-Cal for Part B Services Billed to a Part A Contractor

Figure 2a. Billing Medi-Cal for Part B services billed to a Part A Contractor

This is a sample only. Please adapt to your billing situation.

On line 1, the gross amount of \$2939.17 (Box 17) is the amount allowed by Medicare. The recipient has a Medicare deductible of \$100.00 (Box 18). The sum of the Medicare paid amount of \$2227.39 and the contract adjustment amount of \$77.56 (\$2304.95) is entered in the *Other Coverage* field (Box 19). The coinsurance of \$534.22 from the Medicare RA plus the Medicare deductible of \$100.00 equals the net amount of \$634.22 billed to Medi-Cal (Box 20).

On line 2, the gross amount of \$959.25 (Box 36) is the amount allowed by Medicare. There is a Medicare deductible of \$100.00 (Box 37). The sum of the Medicare paid amount of \$643.43 and the contract adjustment amount of \$77.56 (\$720.99) is entered in the *Other Coverage* field (Box 38). The SOC of \$200.00 is identified in the Explanations area of the claim: "Line 2: Patient has a \$200.00 Share of Cost applied to this Part B claim." The coinsurance from the Medicare RA plus the Medicare deductible minus the SOC equals the net amount of \$38.26 billed to Medi-Cal (Box 39).

Figure 2a. Billing Medi-Cal for Part B Services Billed to a Part A Contractor

The Medi-Cal payment on Part B crossover claims is calculated as the full coinsurance plus the deductible less any Medi-Cal SOC.

Formula for Calculating Part B Crossover Amounts

The formula for calculating Part B crossover amounts is as follows:

Gross Amount

Medicare allowed amount (from EOMB/RA).

Patient Liability/Medicare Deductible

On a Part B claim, recipient liability only applies to the Medicare deductible. If a recipient has a SOC, it must be documented in the *Explanations* area of the claim.

If a portion of the Medicare claim is applied to the recipient's annual deductible, enter the deductible applied in this field (from EOMB/RA); if no deductible is applied to this claim, leave blank.

Other Coverage

Medicare paid amount plus any "contract adjusted amount" (from EOMB/RA).

Net Amount

The coinsurance plus Medicare deductible minus any SOC being applied to this claim.

Billing Medi-Cal for Part B Overlapping Dates of Service

Figure 3. Billing Medi-Cal for Part B overlapping dates of service.

This is a sample only. Please adapt to your billing situation.

Occasionally, two Part B claim lines are billed for the same recipient with overlapping dates of service (for example, physical therapy and speech therapy). To avoid denial of the claim as a duplicate in these situations, use the *Explanations* area to identify the reason for the overlapping dates of service.

In this example, the provider is billing for speech therapy on line 1 and physical therapy on line 2 for the same claim. The recipient is the same and the dates of service overlap.

In the *Explanations* area, the biller writes: "Lines 1 and 2: This is not a duplicate claim. Line 1 is for speech therapy and line 2 is for physical therapy. See Medicare documentation attached."

Similarly, the provider is billing for speech therapy on line 3 of this claim, but billed for physical therapy on line 2 of a claim submitted 10 days earlier.

In the *Explanations* area, the biller writes: "Line 3: This is not a duplicate claim. This claim is for speech therapy. The physical therapy claim was billed on 10/15/15 on line 2. A copy of the claim is attached."
