

## Revenue and Value Codes for Long Term Care

Page updated: January 2024

This section lists the revenue code, value code and value code amount combinations for Long Term Care (LTC) facilities. Refer to the *Rates: Facility Per Diem* section in this manual for corresponding rates.

**Note:** The value code is the Medicaid Rate Code (MRC). The value code amount is the Designated State Level Medicaid Rate Code (DSL MRC), which identifies the type of facility that the patient resides and the level of care the patient receives.
