
Home and Community-Based Services (HCBS) Billing Codes and Reimbursement Rates

Page updated: March 2023

This section contains a list of procedure codes and maximum reimbursement amounts for the Home and Community-Based Services (HCBS) program. For general HCBS information, refer to the *Home and Community-Based Services (HCBS)* section in this manual.

Codes and Rates

«Home and Community Based Services Benefit Providers (PT 068) can bill for all services under Category of Service (COS) 083 on the following table.»

The codes and rates for HCBS are listed by waiver program in the code and rate correlation table in this section.

“By Report” services are individually priced based on information included on and/or attached to the claim form.

All waiver services must be rendered by and reimbursed to approved HCBS waiver providers as specified in the waiver agreement with the Centers for Medicare & Medicaid Services. Such services shall be in accordance with the written plan of care for each waiver recipient.

For a description of the modifiers billed with certain codes, refer to the *Modifiers: Approved List* section in this manual.

Code and Rate Correlation Table

Procedure Code/Description HCBS Usage	Provider Type	Additional Required Codes	Rates (\$)
<p>G9012 Transitional Case Management (TCM), per hour.</p> <p>Coordinated care fee, risk adjusted maintenance, other specified care management: Services provided to transition an «HCBA» waiver eligible individual from a health facility to a home and community-based setting. This includes the assessment of the individual's medical and non-medical needs, supports in the home and funding. TCM services may be provided up to 180 days before discharge from an institution. Providers may be reimbursed for a maximum of 24 hours per day (24 units).</p>	Home Health Agency (14)	None	45.43
<p>G9012 Transitional Case Management (TCM), per hour.</p> <p>Coordinated care fee, risk adjusted maintenance, other specified care management: Services provided to transition an «HCBA» waiver eligible individual from a health facility to a home and community-based setting. This includes the assessment of the individual's medical and non-medical needs, supports in the home and funding. TCM services may be provided up to 180 days before discharge from an institution.
