

UB-04 Claim Form

Introduction

Purpose

The purpose of this module is to provide participants with detailed information about the completion of the *UB-04* claim form for Medi-Cal services. Claim completion requirements, claim information and detailed examples will be discussed for the *UB-04* claim form required by the Medi-Cal program.

Module Objectives

- Identify the section in the provider manual related to *UB-04* claim form completion
- Outline Diagnosis-Related Groups (DRG) reimbursement requirements
- Introduce general completion and submission billing guidelines for the *UB-04* claim form
- Understand the differences between inpatient and outpatient services claim completion on a *UB-04* claim form
- Discuss common claim completion errors (billing tips)
- Participate in an interactive claim completion learning activity.

Acronyms

A list of current acronyms is located in the *Appendix* section of each complete workbook.

Diagnosis-Related Groups Reimbursement

Payments for inpatient general acute care for many hospitals are calculated using an All Patient Refined Diagnosis-Related Groups (APR-DRG) reimbursement methodology. For the purposes of this module, APR-DRG is referred to as the DRG reimbursement method or the DRG model.

It is important for inpatient providers to know their reimbursement method because it affects payment and claim completion standards. For example, claims submitted by hospitals reimbursed according to the DRG model should take extra care to enter all ICD-10-CM diagnosis codes and ICD-10 PCS codes on a claim to ensure payment at the appropriate level. For help understanding the DRG model, refer to the *Diagnosis-Related Groups (DRG): Inpatient Services* section (diagnosis ip) of the Part 2 Inpatient Services manual.

Non-DRG Hospitals

Non-DRG reimbursed hospitals are hospitals that are not paid according to the DRG reimbursement methodology. Refer to the *Hospital Directory* section (hospital dir) of the Part 2 Inpatient Services manual for a listing of non-DRG hospitals. Reimbursement for those hospitals may pertain to certified public expenditure (CPE). Listings in the section are subject to change and may be incomplete.

Note: For DRG-related questions, comments and concerns, or to subscribe to the DRG listserv, please send an email to DRG@dhcs.ca.gov.

UB-04 Claim Form Description

The *UB-04* claim form is used to request reimbursement for services rendered by the following institutions:

- Inpatient hospital facilities, such as medical/surgical intensive care, burn care, coronary care and ancillary charges (such as labor and delivery, anesthesiology and central services and supplies)
- Outpatient institutional facilities, such as outpatient departments, rural health clinics, chronic dialysis services and Community-Based Adult Services (CBAS).

After a *UB-04* claim has been submitted, it must be received by the California Medicaid Management Information System (CA-MMIS) Fiscal Intermediary (FI) within a specified time frame in order to qualify for reimbursement. The time frames are very specific and need to be adhered to so that providers can receive timely reimbursement. Claims that have been improperly completed will be denied.

UB-04 Claim Form Completion Guidelines

Form Submission Methods

Paper Format

Providers are required to purchase *UB-04* claim forms from a vendor. The claim forms ordered through vendors must include red “drop-out” ink to meet Centers for Medicare & Medicaid Services (CMS) standards.

The following guidelines apply to claim forms submitted by mail:

Claim Submission Instructions

- Bill in the Medi-Cal format. Follow claim form completion instructions outlined in the *UB-04 Completion: Inpatient Services* section (ub comp ip) or *UB-04 Completion: Outpatient Services* section (ub comp op).
- Send original claims only (printed with red “drop-out” ink).
- Photocopies, carbon copies and computer-generated claim form facsimiles are unacceptable.
- Submit separate claim forms for inpatient services. Do not combine inpatient and outpatient services on the same claim form.
- Separate individual claim forms. Do not staple original claims together. Stapling original claims together indicates the additional claims are attachments, not original claims that need to be processed.
- Submit one claim form per set of attachments.
- Tape undersized attachments to 8½ by 11-inch white paper using non-glare tape.
- Do not use colored paper.
- Appropriate modifiers must be used when billing for surgical, pathology, radiology and some medicine codes.

Claim Reimbursement Guidelines

Claim Submission Timeliness Requirements

Original Medi-Cal or California Children’s Services (CCS) claims must be received by the California Medicaid Management Information System (California MMIS) Fiscal Intermediary within six months following the month in which services were rendered. This requirement is referred to as the six-month billing limit.

Full Reimbursement Policy

Reimbursement Deadlines

If the Date of Service (DOS) falls within this month:	Then claims must be received by the last day of this month:
January	July
February	August
March	September
April	October
May	November
June	December
July	January
August	February
September	March
October	April
November	May
December	June

Partial Reimbursement Policy

Claims submitted after the six-month billing limit and received by the California MMIS Fiscal Intermediary without a valid delay reason will be reimbursed at a reduced rate according to the date in which the claim was received.

Partial reimbursement rates are paid as follows:

- 100% Reimbursement from 0 to the end of 6 months.
- 75% Reimbursement from 7 months to the end of 9 months.
- 50% Reimbursement from 10 months to the end of a year.

Delay Reason Codes

Claims can be billed beyond the six-month billing limit if a delay reason code is used. The delay reason code indicates that the claim form is being submitted after the six-month billing limit.

Although a delay reason code designates approved reason for late claim submission, these exceptions also have time limits. Refer to the *UB-04 Submission and Timeliness Instructions* section (ub sub) of the Part 2 provider manual.

Table of Delay Reason Codes and Descriptions

Delay Reason Code	Description
1	Proof of Eligibility (POE) unknown or unavailable
3	TAR approval delays
4	Delay by DHCS in certifying providers
5	Delay in supplying billing forms
6	Delay in delivery of custom-made eye appliances
7	Third party processing delay
10	Administrative delay in prior approval process
11	Other (eg. theft); attach documentation justifying delay reason
15	Natural disaster

Note: To receive full payment, providers must attach documentation justifying the delay reason. Providers billing with a delay reason code without the required attachments will be denied or reimbursed at a reduced rate.

Billing Notice

Most providers may no longer bill Medi-Cal or CCS using a recipient's Social Security Number (SSN). Claims submitted with a recipient's SSN will be denied.

Claims Over One Year

Occasionally, a claim may be delayed more than one year past the date of service (DOS). The following is a list of possible scenarios that could result in a claim being submitted beyond one year:

- Third party decision or appeals
- Determination of Medi-Cal eligibility
- Treatment Authorization Request (TAR) approval delay

Providers may still be eligible to receive 100 percent reimbursement of the Medi-Cal maximum allowable rate. Claims submitted more than 12 months after the month of service must use delay reason code 10. These claims must be billed hard copy and with appropriate attachments. Providers can send late claims to the California MMIS Fiscal Intermediary at the following address:

Attn: Over One Year Claims Unit
California MMIS Fiscal Intermediary
P.O. Box 13029
Sacramento, CA 95813-4029

Note:

- Claims and attachments more than a year old may not be submitted electronically
- Claims more than a year old will not receive an acknowledgement or response letter.
- Providers will receive a RAD message indicating the status of their claim.

Refer to the appropriate Part 2 provider manual section: *UB-04 Submission and Timeliness Instructions* (ub sub).

Form Completion Instructions

- Handwritten claims should be printed neatly using black ballpoint pen only. Do not use red pencils or red ink ballpoint pens.
- Only typed, handwritten or computer-printed forms can be scanned by Optical Character Recognition (OCR) equipment.
 - Type all information using capital letters on forms.
 - For best possible clarity and accuracy, use 10-pt. pica type, six lines per inch. Do not use script or italic font.

- Data must fall completely within the text space and should be properly aligned.
- Undesignated white space (such as Box 2) and undesignated shaded areas or areas labeled “For FI Use Only” should be left blank. These areas are reserved for FI use only.
- Punctuation or symbols (\$, %, &, /, etc.) must not be used except in designated areas.
- Ensure that a valid CPT/HCPCS code is used for the date of service. In addition, make sure the revenue code is valid and on file.
- Do not use highlighters or correction tape/fluid on the hard copy claim or follow-up form.
- Strike out incorrect information by drawing a line through the entire detail line from the left border of the *Revenue Code* field (Box 42) to the right border of Box 49. Enter the correct billing information on another detail line.

Mailing Instructions

- To expedite the sorting and preparation of claims for scanning, do not fold or crease forms to fit into small-sized envelopes. Enclose forms in full-sized, color-coded envelopes supplied at no charge by the FI.

Electronic Format

Most claims for inpatient services can also be submitted through Computer Media Claims (CMC). For CMC ordering and enrollment information, refer to the CMC sections (cmc and cmc enroll) of the Part 1 provider manual.

The following guidelines apply to claim forms submitted by electronically.

The method of submitting claims electronically is referred to as CMC submission, and is the most efficient method of Medi-Cal billing. CMC submission offers additional efficiency to providers because these claims are submitted faster and entered into the claims processing system faster.

Submission Instructions

- Claims may be submitted electronically via CMC telecommunications (modem) or Medi-Cal website (www.medi-cal.ca.gov).
- Claims requiring hard copy attachments may be billed electronically.
- CMC claims requiring attachments must be accompanied by a *Medi-Cal Claim Attachment Control Form* (ACF) and mailed or faxed to the FI. The attachments must be completed as specified or the attachments will not be linked with the electronic claim, resulting in claim denial. Each ACF has a unique number that must be entered on the CMC in the appropriate field in order for the CMC to match the ACF.

Billing Instructions

Electronic data specifications and billing instructions are located in the *Medi-Cal Computer Media Claims (CMC) Billing and Technical Manual*.

Contact Information

For additional information, contact the Telephone Service Center (TSC) at 1-800-541-5555.

Medi-Cal Claim Attachment Control Form (ACF)

An ACF makes it possible to process paper attachments. Under HIPAA rules, an 837 v.5010 electronic claim cannot be rejected (denied) because it requires an attachment. The California Medicaid Management Information System (CA-MMIS) has been modified to process paper attachments submitted in conjunction with an (837 v.5010) electronic claim.

For each electronically submitted claim requiring an attachment, a single and unique ACF must be submitted via mail or fax. Providers will be required to use the 11-digit Attachment Control Number (ACN) from the ACF to populate the Paperwork (PWK) segment of the 837 HIPAA transaction.

Attachments must be mailed or faxed to the address below:

California MMIS Fiscal Intermediary
P.O. Box 526022
Sacramento, CA 95852
Fax: 1-866-438-9377

The following guidelines apply to attachments submitted with *UB-04* claim forms.

Attachment Policies

- All attachments must be received within 30 days of the electronic claim submission.
- Paper attachments cannot be matched after 30 calendar days.
- To ensure accurate processing, only one ACN value will be accepted per single electronic claim and only one set of attachments will be assigned to a claim.

Denied Claim Reasons

- If an 837 v.5010 electronic transaction is received that requires an attachment and there is no ACN, the claim will be denied.
- If no ACF or a non-original ACF is submitted, the attachments or documentation will be returned with a reject letter to the provider or submitter.
- No photocopies of the ACF will be accepted.
- The method of transmission must match the method of transmission indicated in the PWK segment; otherwise, the attachment will not link up with the claim and it will be denied because no attachment was received.
